12 Ways your Phone is Changing You -- Reinke Redeem your data plan. Maximize the blessings and avoid the pitfalls of a connected and efficient, yet distant and distracted culture. With wisdom, experience and a deep commitment to God's word, this practical little book provides the church with a highly-informed perspective on protecting your habits, your head and your heart from the not-so-nebulous perils of the smartphone age.

30: Three Decades of Songs -- Sovereign Grace Music It all started in 1984 with the release of *Mighty God*, a cassette tape of a live recording with songs penned by Mark Altrogge, Steve & Vikki Cook, and Bob Kauflin. Since that time thirty years ago, Sovereign Grace Music has produced over 60 projects with musical styles ranging from rap to hymns, from rock to alternative, from remixes to choruses. We've recorded more than 500 songs written by over thirty writers, but our purpose has never changed: to serve the local church with songs that are theologically-driven and gospel-rich. Our music is now being translated into thirteen languages and we're grateful to play a part in proclaiming the good news of Jesus Christ throughout the world. To celebrate God's faithfulness, we asked a number of artists and musicians we've come to know through the years to record a version of some of our more well-known songs. We were excited about what they came up with, and hope you will be too.

Accepting God's Forgiveness -- C. John Miller Do past failures still trouble you? Perhaps regret over a mistake, the betrayal of someone close to you, an undone task, an angry outburst has left you feeling uneasy. You wonder if God really does forgive you. Sometimes he seems like a dark cloud instead of a loving Father. Jack Miller explains that these are symptoms of a troubled conscience. Don't try to ignore your conscience, instead, shift your focus to what Christ has done for you. Depending on Jesus will free you to accept God's forgiveness and fill you with his peace.

Adoniram Judson Devoted for Life -- Christie Explore the life of America's first foreign missionary, Adoniram Judson (1788-1850), who was devoted to serving God for over 38 years in Burma, no matter the cost. The son of a congregational minister, Judson was a precocious young man who aspired to gain exceptional worldly fame through some prominent secular career. But following a crisis of faith and a stunning turn of events that exposed the vanity of mere temporal pursuits, he went on to study for the Christian ministry and to dedicate his life to missionary service. With unshakable faith in God and His Word, Judson persevered through staggering difficulties. His unrelenting labor and devotion were used of the Lord to spread the Gospel and to establish healthy Christian congregations throughout Burma. Judson's example was an inspiration to untold thousands in his own day and still has the power to encourage and instruct believers today.

Age of Opportunity: A Biblical Guide to Parenting Teens, Second Edition with Study Guide - Paul D. Tripp Are you hoping to merely survive your teenagers? With compassion, wit and wisdom, Tripp uncovers the heart issues affecting families during the often chaotic adolescent years. Gain assurance of God's provision for parenting success and discover ways to seize the countless opportunities to deepen communication, learn, and grow with your teens.

Always Ready: Directions for Defending the Faith -- Dr. Greg Bahnsen This book is a compilation of several of Dr. Bahnsen's published works on Christian apologetics, including his Apologetics syllabus, articles on practical apologetic problems (like the problem of evil, the problem of miracles, etc.), and an exposition of Acts 17.

Am I Really a Christian? The Most Important Question You're Not Asking -- Mike McKinley Are you really a Christian? You may think you are, but you may not be. After all, Jesus himself said that some people will do seemingly "Christian" things in his name but will not truly know him. Or maybe you know you are not a Christian and you wonder what it really means to be one. To be sure, however, there is clarity from God's perspective. He is not confused about who does and does not know him. And though our self-awareness is certainly limited, we have been given biblical criteria to help us evaluate whether we are indeed followers of Christ. Mike McKinley shows us the importance of examining our standing with God and helps us to fearlessly ask the hard questions, ultimately allowing us to see whether we are in the faith and what exactly that entails.

An Introduction to the New Testament Second Edition -- Carson & Moo *An Introduction to the New Testament* focuses on "special introduction" that is historical questions dealing with authorship, date, sources, purpose, destination, and the like. This approach stands in contrast to recent texts that concentrate more on literary form, rhetorical criticism, and historical parallels; topics the authors don't minimize, but instead think are better given extended treatment in exegesis courses. By refocusing on the essentials, this introduction ensures that the New Testament books will be accurately understood within historical settings. For each New Testament document, the authors also provide a substantial summary of that book's content, discuss the book's theological contribution to the overall canon, and give an account of current studies on that book, including recent literary and social-science approaches to interpretation.

An Introduction to the Old Testament, Second Edition -- Longman & Dillard This second edition integrates and interacts with recent developments in Old Testament scholarship. It is thoroughly evangelical in its perspective, emphasizes "special introduction", the study of individual books, interacts in an irenic spirit with the historical-critical method, features points of research history and representative scholars rather than an exhaustive treatment of past scholarship, deals with the meaning of each book, not in isolation but in a canonical context, and probes the meaning of each book in the setting of its culture. This intermediate introduction includes callouts, charts, and graphs, and is written with an eye on understanding the nature of Old Testament historiography, and three key issues: historical background, literary analysis, and theological message.

Angry at God? Bring Him Your Doubts and Questions -- Robert D. Jones How could God allow this to happen to me? I'm angry with him, but I don't know if I'm supposed to be angry! Is it ok to be angry with God? If we are angry, should we hold it inside, or voice our feelings outright? Jones writes that we should not take a "grin and bear it" approach to our anger, nor should we rashly vent our emotions to God. Instead, we need to humbly bring him our struggles, doubts, and questions. We must learn to be transparent in God's presence, think biblically, and act obediently.

Help your child control his anger with the advice found in this booklet written by Michael Emlet, a family physician and counselor. In *Angry Children*, he explains some of the possible physical and emotional reasons for outbursts and uses biblical truths to come up with a practical strategy to help your child learn self-control.

Angry Children: Understanding and Helping Your Child Regain Control -- Michael R. Emlet Help your child control his anger with the advice found in this booklet written by Michael Emlet, a family physician and counselor. In *Angry Children*, he explains some of the possible physical and emotional reasons for outbursts and uses biblical truths to come up with a practical strategy to help your child learn self-control.

Anxiety and Panic Attacks: Trusting God When You're Afraid -- Jocelyn Wallace Suffering from anxiety and panic attacks can feel incapacitating. One minute you feel fine, and the next your heart is pounding, your mind is racing, and your stomach is clenching. Sometimes it even feels like you might be having a heart attack. The Bible says, Be anxious for nothing, but that feels impossible when you're even becoming afraid of being afraid! Thankfully, you have a God who does not leave you alone in your fear and instead uses it to reveal his great love for you. With helpful, practical guidance, experienced counselor Jocelyn Wallace helps you understand the roots of your anxiety and to see how Christ meets you in your struggle and provides everything you need to begin to address it.

The Atonement -- Leon Morris Why is the cross the crux of Christianity? What are the meaning and significance of the atonement? The Bible uses a host of terms to illuminate the answers to these questions: covenant, sacrifice, the Day of Atonement, Passover, redemption, reconciliation, propitiation, justification. In plain English Leon Morris explains each of these words, thus opening up for students, pastors and teachers the fuller biblical dimension of God's great salvation.

Attributes of God, Music CD -- Shai Linne "What comes into our minds when we think about God is the most important thing about us." -A.W. Tozer. As the title suggests, this is a concept album with the entire emphasis on the nature and character of God. Do you know Him?

Be Complete -- Warren Wiersbe Dr. Warren W. Wiersbe calls your attention to Paul's essential thoughts on living a complete life—with Christ alone—in this easy-to-use commentary on Colossians. End of chapter questions for reflection or group discussion are also included.

Be Joyful -- Warren Wiersbe Combining the exegesis of a commentary with the exposition of a Bible study, Wiersbe unlocks the treasures of Paul's Letter to the Philippians. You'll learn to recognize joy-stealers; realize why you don't need to worry; discover the secret of contentment; and more. Based on the NIV and updated with study questions.

Be Mature -- Warren Wiersbe Beloved author and teacher Warren W. Wiersbe leads you through this practical book with advice on overcoming temptation, controlling the tongue, praying effectively, and practicing what the Bible teaches. With end of chapter study questions and a new introduction, *Be Mature* is the perfect companion for a study of James and becoming more mature in Christ.

Be Strong -- Warren Wiersbe God isn't looking for volunteers, because every Christian is a soldier in the army of the Lord. Some are "good soldiers of Jesus Christ" while others are AWOL or casualties on the battlefield of life. Joshua was one of God's early soldiers on the winning side. Thrust into leadership when Moses died, Joshua took to heart God's instructions about the keys to victory. Putting fear aside and realizing the Lord was his true source of strength, Joshua became God's instrument for bringing the Israelites safely into the Promised Land.

Bible Doctrine -- Wayne Grudem How do we know the Bible is God's Word? What is sin and where did it come from? How is Jesus fully God and fully man? What are spiritual gifts? When and how will Christ return? If you've asked questions like these, then "systematic theology" is no abstract term. It's an approach to finding answers every Christian needs to know. *Bible Doctrine* takes a highly commended upper-level textbook on systematic theology and makes it accessible to the average reader. Abridged from Wayne Grudem's award-winning *Systematic Theology*, *Bible Doctrine* covers the same essentials of the faith, giving you a firm grasp on seven key topics: The Doctrine of the Word of God, The Doctrine of God The Doctrine of Man, The Doctrine of Christ The Doctrine of the Application of Redemption, The Doctrine of the Church The Doctrine of the Future Like *Systematic Theology*, this book is marked by its clarity, its strong scriptural emphasis, its thoroughness in scope and detail, and its treatment of such timely topics as spiritual warfare and the gifts of the Spirit.

Biblical/Theology in the Life of the Church -- Michael Lawrence This essential volume presents the substance and practical importance of biblical theology for ministry. He begins with an examination of a pastor's tools of the trade—exegetical, biblical, and systematic theology—and commends biblical theology as the tool that should never be on the shelf. Lawrence helpfully distinguishes between biblical and systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.

Big God -- Orlando Saer Why then do bad things happen? Where does that leave 'free will'? Does God choose us or do we choose God? What's the point of praying if God already knows what he's going to do? Orlando Saer tackles these questions - and more - in a straightforward and engaging way. If you sometimes struggle to understand the way God works in the world, or to explain it to others, you will find light here. You'll also be left with a new appreciation of just how big the God of the Bible really is.

Big Picture Bible Story, The -- David Helm No child is too young to begin learning about the greatest love story of all—God's love for his people, as portrayed in the Bible. David Helm and Gail Schoonmaker have together created a colorful book of Bible stories written especially for children ages 2–7. Rather than simply retelling portions of the Bible, this book presents the big picture—the unified story running through the Old and New Testaments. Twenty-six stories together form parts of this big picture. Simply written and beautifully illustrated, this book teaches children the Bible's whole story so they can begin to appreciate the fulfillment of God's promise to his people. *The Big Picture Story Bible* is perfect for parents to read to their children and for older children to read on their own.

Bipolar Disorder -- Edward Welch Everyone feels better some days than others, but some people struggle with exaggerated and unrestrained mood swings. These kinds of mood swings have come to be known as mania, manic- depression, or bipolar disorder. Bipolar disorder is confusing and difficult both for those who struggle with it and for those who care for them. Edward T. Welch acknowledges how difficult bipolar disorder is for everyone involved, describes its effects, and then applies God's Word to this serious, life-dominating struggle. When those who have bipolar disorder learn to understand the challenges of mania and depend on God instead of their own impressions, then mania will not stand in the way of their having rich relationships with God and others.

Breaking the Addictive Cycle--David Powlison You are bored or stressed or hurt. Something is hard in life and you want a break. What do you grab for that you hope will protect, soothe, and comfort? Whatever it is - shopping, overeating, drinking, drugs - promises relief, but never delivers. Instead, you are left feeling empty, anxious, guilty, and wanting more. David Powlison shares that God made us for rest and pleasure, not for an obsessed and unsatisfied life. Understanding the true pleasure that comes from loving God and enjoying

the good gifts he has given us will reorder your thinking and bring you freedom from your obsessions. Take the practical suggestions that David Powlison outlines here and see how your pleasures increase and your obsessions decrease.

Bunyan's The Pilgrim's Progress -- Leland Ryken * "As I slept, I dreamed a dream." So begins Bunyan's masterpiece---one of the most significant works in English literature. Offering an engaging analysis, Ryken discusses the nature of faith, reality of temptation, glory of salvation, and other themes; situates the work within its cultural context; references published criticism; and includes discussion questions. This is a companion book to the novel, "The Pilgrim's Progress.

Burned Out: Trusting God with Your To-Do List -- Winston Smith Often, in our busy world, our lives feel like one long to-do list. It's easy to get so busy that we don't even notice how exhausted and anxious we are. Do you find yourself saying yes to activities you don't have time for? Have you ever said, "If I don't do it, who will? An overloaded schedule and an inability to rest are signs of approaching burnout. Instead of giving you organizational tips (and thus more to do!), Winston T. Smith helps you to look at what drives your busyness and points you to the rest that comes from a deeper trust in God. You will learn how to build rest into your life and break free from the things that keep you from peace.

Buster's Ear Trips Him Up: When You Fail -- Ed Welch, Ed. Buster was sure he was the fastest bunny in the meadow. But during a race at summer camp, nothing goes as planned and Buster gets tripped up. After his epic fall, his older sister, Ivy, helps him see that failure is an opportunity to grow. As Buster remembers God's love, he is able to let go of others' opinions and accept that it is okay to try your best but not always be the best. Edited by Edward T. Welch, Buster's Ears Trip Him Up ends with a special section that guides parents in teaching children how the gospel of Jesus Christ comforts and sustains us through failure and turns our focus away from ourselves and toward others. Also included is a tear-out page of Back Pocket Bible Verses that will remind children and adults of God's love and help for those who get tripped up.

A new series of hardback, illustrated children's books for three-to eight-year-olds—each centered on an animal family—bring gospel help and biblical counsel to families. The animal characters, colorful illustrations, and the real-life issues each animal family face will captivate children. The first three books address anxiety, anger, and failure, bringing biblical help and hope to issues every child faces. The last page of each book contains information for parents on how God, in his Word, helps children apply biblical truth to specific issues. Together children and parents will be guided by the stories into meaningful conversations about living by faith in the details of everyday life.

The Art of Relationship Building. By helping you see how your desires motivate your speech, he draws you back to the gospel of Jesus Christ for freedom from old patterns of relating and for a heart that moves toward others in love.

The Case for Faith -- Lee Strobel Why does God permit evil? Why do some prayers go unanswered? Why has God allowed the church to engage in brutality and hypocrisy? Tough questions demand convincing answers. Join journalist Strobel as he once again journeys across the country challenging philosophers, theologians, and ordinary believers to defend their faith. The evidence he uncovers may surprise you!

Catching Foxes: A Gospel-Guided Journey to Marriage -- John Henderson In this interactive study, biblical counselor John Henderson uses a workbook approach to guide you through your marriage preparation—helping you to understand the purpose of marriage, to handle conflict, to glorify Christ in your union and finances, and to get to know your own heart and expectations. Many threats to a marriage can be identified even before the wedding takes place. Even better, God's gospel provides the means of overcoming them.

Charity and Its Fruits -- Jonathan Edwards Few Christian leaders since the Reformation have been as gifted as Jonathan Edwards. A man of intense personal devotion to Christ, he was a leader of revival, and a creative Reformed theologian as well as being a missionary and a philosopher fully meriting Hugh Martin's description of him as 'that greatest of metaphysical divines'.

Yet it is likely that he would have preferred to be remembered simply as 'pastor of the Church of Northampton'. Preached in 1738 (the same year that Edwards published A Narrative of Surprising Conversions), Charity and Its Fruits gives us an insight into his regular pulpit ministry in the years between the Northampton revival of 1735 and 'the Great Awakening' of 1740.

Entirely free from sentimentality this moving exposition of 1 Corinthians 13, like the better known Religious Affections, reveals Edwards' insistence both that true Christian experience is 'supernatural'- Spirit produced and Christ centered- and that 'all true Christian grace tends to practice'. Charity and Its Fruits show how it is possible to steer between

Arminianism on the one hand and Antinomianism on the other. The concluding chapter on heaven as a world of love is perhaps the most beautiful in all Edwards's writings.

Christianity Explained -- Michael Bennett In many countries people growing up today do not have a Sunday School understanding of the gospel, or even the basic facts about Jesus. Christianity Explained gets away from the quick one-off presentation of the gospel which has characterized much of our evangelistic efforts in the past. Based on six studies from Mark's gospel, this 'manual' is a tried-and-tested tool for evangelism. It presents the challenge of Jesus in a way that is non-threatening and concentrates on the facts concerning the person and work of Christ. It begins with the assumption that the hearer knows absolutely nothing about Jesus or the Good News. During the course, participants will be invited to discuss and question what they are hearing and, by the end of the six 'studies', will be challenged to repentance, belief and a trust in Jesus.

Christmas Promise, The -- Alison Mitchell A captivating retelling of the Christmas story showing how God kept His promise to send a new King. Superb illustrations by Catalina Echeverri and faithful, Bible-centered story-telling by Alison Mitchell combine to make this a book that both parents and children will love.

A long, long time ago – so long that it's hard to imagine – God promised a new King. He wasn't any ordinary king, like the ones we see on tv or in books. He would be different. He would be a new King; a rescuing King; a forever King!

Chronic Pain: Living By Faith When Your Body Hurts -- Michael Emlet Chronic pain is different from other kinds of physical pain because it doesn't stop. It is daily, unrelenting, soul-wearying pain for which there is no end in sight. Can you still experience God's grace and help even in the midst of never ending pain?

Michael R. Emlet, physician and counselor, includes a brief overview of the physiological aspects of pain and then goes on to outline a God-shaped perspective on chronic pain. When you turn to God, your pain may not disappear, but fear, anxiety, and despair can be replaced with a simple trust in God's understanding, care, and love.

Church Discipline -- Jonathan Leeman Church discipline is essential to building a healthy church. So how exactly do we practice church discipline?

Jonathan Leeman helps us face the endless variety of circumstances and sins for which no scriptural case study exists, sins that don't show up on any list and need a biblical framework to be corrected appropriately in love. Here is a contemporary and concise how-to guide that provides a theological framework for understanding and implementing disciplinary measures in the local church, along with several examples of real-life situations and the corresponding responses.

Church Membership -- Jonathan Leeman Why should you join a church? Becoming a member of a church is an important, and often neglected, part of the Christian life. Yet the trend these days is one of shunning the practice of organized religion and showing a distaste or fear of commitment, especially of institutions. Jonathan Leeman addresses these issues with a straightforward explanation of what church membership is and why it's important. Giving the local church its proper due, Leeman has built a compelling case for committing to the local body.

Church The: The Gospel Made Visible -- Mark Dever Christians face lots of practical questions when it comes to life in the local church: How is the gospel displayed in our lives together? What are we supposed to do and believe? Different followers answer differently-even as they preach the same gospel! What should we think about such differences? A church's life, doctrine, worship, and even polity are important issues. Yet they are so rarely addressed. *The Church* is Mark Dever's primer on the doctrine of the church for all who see Scripture alone as a sufficient authority for the doctrine and life of the local church. He explains to the reader what the Bible says about the nature and purpose of the church- what it is, what it's for, what it does.

Concise Theology: A Guide to Historic Christian Beliefs -- J. I. Packer Theology matters! At last, it can be understood easily, thanks to this "layman's language" approach to biblical belief. Authored by J. I. Packer, one of the premier theologians of Christianity, this summary of Christian teaching covers nearly 100 major Christian beliefs from a Reformed perspective. Brief, easy-to-understand chapters offer precise descriptions without sacrificing depth. Thoughtfully arranged and refreshingly readable, this is a book that belongs on the shelf of every Christian.

Conflict/A Redemptive Opportunity -- Tim Lane None of us live in a world where conflict does not exist. It is unavoidable. Since that is the case, it makes sense to face the fact that you *will* have conflict. Admitting this opens the door for conflict to become a redemptive opportunity to mature in Christ. Some basic perspectives can help us as we tackle the tough issues involved.

Conscience: What It Is, How to Train It, and Loving Those Who Differ -- Andrew Naselli What do you do when you disagree with other Christians? How do you determine which convictions are negotiable and which are not? How do you get along with people who have different personal standards? All of these questions have to do with the conscience. Yet there is hardly a more neglected topic among Christians. In this much-needed book, a New Testament scholar and a cross-cultural missionary explore all thirty passages in the New Testament that deal with the conscience, showing how your conscience impacts virtually every aspect of life, ministry, and missions. As you come to see your conscience as a gift from God and learn how to calibrate it under the lordship of Jesus Christ, you will not only experience the freedom of a clear conscience but also discover how to lovingly interact with those who hold different convictions.

Controlling Anger -- David Powlison (Replaces CCEF Bklt – “Anger”) What makes you angry? Sometimes it's small things: traffic jams, a waiter's mistake, or a friend's inattention. And sometimes it's big things: betrayal, injustice, meanness, violence, oppression, selfishness, and lying. How do you deal with your anger? Do you dump it on those around you? Or stuff it deep inside?

David Powlison surprises us with the news that God is angry too, but his anger is expressed constructively, by giving his own Son to right what's wrong with this world. Learn the five questions to ask yourself that will help you express your anger God's way in the difficult situations and relationships you face every day.

Corner Conversations -- Randy Newman Welcome to Turnerville - an imaginary place where people take time to think and discuss the real issues that get rushed past or ignored in our world. Written by Gold Medallion nominee Randy Newman, this captivating sequel to Questioning Evangelism allows readers to learn new evangelistic skills by eavesdropping on important conversations that grapple with hot-button issues.

Coronavirus and Christ -- John Piper In Coronavirus and Christ, John Piper invites readers around the world to stand on the solid Rock, who is Jesus Christ, in whom our souls can be sustained by the sovereign God who ordains, governs, and reigns over all things to accomplish his wise and good purposes for those who trust in him. Piper offers six biblical answers to the question, What is God doing through the coronavirus?—reminding us that God is at work in this moment in history.

Cost of Discipleship, The -- Dietrich Bonhoeffer *The Cost of Discipleship* compels the reader to face himself and God in any situation. Bonhoeffer speaks of "Cheap Grace": preaching forgiveness without requiring repentance, baptism without church discipline, communion without confession. "Cheap Grace" is grace without discipleship. "Costly Grace" is the gospel which must be sought again and again, the gift which must be asked for, the door at which a man must knock. "It's costly because it costs a man his life, and it is grace because it gives a man the only true life."

Counter Culture -- David Platt Ask a group of Christians what they think about poverty, sex trafficking, or the orphan crisis, and you'll probably get a pretty quick response. But ask that same group about gay marriage or abortion, and you'll most likely be faced with a lot of nervous hesitancy or fuzzy answers. In this day when social issues are creating clear dividing lines in society, moral and political neutrality is not an option for those who believe the gospel. It's simply not enough to focus on only those issues that are most comfortable--and least costly--to us. Join David Platt as he invites us to fix our gaze on the holiness, goodness, love, truth, justice, authority, and mercy of God revealed in the gospel and to live with conviction, courage, and compassion in the midst of a culture that is drifting further from the truth every day.

Counterfeit Gods -- Timothy Keller Have you ever thought money, power, or love would bring you happiness? Discover how only God can wholly satisfy our cravings! Keller explores Scripture to demonstrate how our hearts can turn good, wholesome things into idols that drive us. Using classic Bible stories, he reveals the key to understanding our society and transforming our own minds.

Dark Clouds, Deep Mercy: Discovering the Grace of Lament -- Mark Vroegop Where do you turn when the dark clouds of pain, suffering, and loss roll into your life? In a broken world, difficult trials can lead quickly to discouragement and despair—even for Christians. But the Bible sets forth an oft-neglected practice for dealing with such trials: lament. To lament is to turn to God in honest, desperate prayer, giving voice to the reality of our emotions—as intense and tumultuous as they may be. Ultimately, lament is an expression of faith in the God who hears our cries and responds with mercy and grace. Drawing on examples from the Bible and his own story of loss, pastor Mark Vroegop walks through steps of lament (Turn, Complain, Ask, and Trust) to show what lament is, why it is important, and how to enter into it—helping readers learn to live between the poles of God's goodness and the pain of a hard life.

Darwin on Trial – Phillip E. Johnson Is evolution fact or fancy? Is natural selection an unsupported hypothesis or a confirmed mechanism of evolutionary change? These were the courageous questions that professor of law Phillip Johnson originally took up in 1991. His relentless pursuit to follow the evidence wherever it leads remains as relevant today as then. The facts and the logic of the arguments that purport to establish a theory of evolution based on Darwinian principles, says Johnson, continue to draw their strength from faith—faith in philosophical naturalism. In this edition Johnson responds to critics of the first edition and maintains that scientists have put the cart before the horse, regarding as scientific fact what really should be regarded as a yet unproved hypothesis. Also included is a new, extended introduction by noted biologist Michael Behe, who chronicles the ongoing relevance of Johnson's cogent analysis.

Dawn of Redeeming Grace - Sinclair Ferguson As dawn broke on that first Christmas morning, the sun rose on a new era: God's king had come to earth to bring about his kingdom. Join Sinclair Ferguson as he opens up the first two chapters of Matthew's Gospel in these daily devotions for Advent. Each day's reflection is full of insight and application, and will help you to arrive at Christmas Day awed by God's redeeming grace and refreshed by the hope of God's promised king.

Death of Porn, The Men of Integrity Building a World of Nobility - Ray Ortlund Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories, Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. *The Death of Porn* inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

Desiring God -- John Piper Strengthen your relationship with God simply by *enjoying* him and his creation. Piper compellingly reveals why your deepest and most enduring happiness can only be found in God. Laying biblical foundations for a life of celebration, he describes how to glorify the Lord by truly desiring and enjoying him. Includes a discussion guide.

Did the Devil Make Me Do it -- Mike McKinley Many Christians are confused about the devil. When Jesus walked the earth, he cast out demons and had powerful encounters with the Satan. But who exactly is the devil, and where did he come from? And what is he up to in the world today? This short, readable book explains clearly and simply what we can say with certainty from the Bible about Satan, demons and evil spirits.

Difference Jesus Makes, The -- H. B. Charles What are you struggling with right now? Have you ever felt like that in your relationship with God, like He's disconnected from the situations of your life and you want Him to come out of the frame? Well in the Lord Jesus Christ, that's exactly what God has done. When Jesus took on human flesh, God stepped out of the frame and dwelled among us. In *The Difference Jesus Makes*, Pastor H.B. Charles Jr. walks us through stories found in the Gospel of Mark to highlight the truth that Jesus is present in all things and Lord over all things, including the details of our lives.

No matter what we are facing, we can trust Jesus to care for us, even if he doesn't fix our every problem. *The Difference Jesus Makes* shows us who Jesus is, why we can trust Him, and what that looks like day to day.

Difficult Doctrine of the Love of God -- D. A. Carson In doing away with trivialities and cliches, this work gets to the heart of this all-important doctrine from an unflinching evangelical perspective. Yet it does so without losing its personal emphasis: for in understanding more of the comprehensive nature of God's love as declared in His Word, you will come to understand God and His unending love for you more completely.

Discipling-How to Help Others Follow Jesus -- Mark Dever What does it look like to help others become more like Christ? In this concise guide, pastor Mark Dever outlines the who, what, where, when, why, and how of discipling - helping others follow Jesus. Following the pattern found in Scripture, this book explains how disciple-making relationships should function in the context of the local church, teaching us how to cultivate a culture of discipling as a normal part of our everyday lives.

Discovering God's Will -- Sinclair Ferguson How do we discover the will of God for our lives? Sinclair Ferguson answers this question by showing how God's will is shaped by his ultimate purposes for us. It is made known to us through his Word. At times discovering God's will demands careful thought: it may require patience; it always demands a right attitude to God himself. Discovering God's Will draws out fundamental principles by which God guides us, applies them to practical situations like vocation and marriage, and underlines many important biblical counsels. It shows that the guidance God gives comes primarily through knowing, loving, and obeying him.

Divorce Recovery: Growing and Healing God's Way -- Winston T. Smith You are going through an agonizing experience. God describes marriage as two separate people becoming "one flesh" (Genesis 2:24). Divorce is the process of taking apart that oneness and turning it back into two. How could being torn apart be anything but painful? The pain you are experiencing has many different faces: Your hopes and dreams for your marriage were ended by the bitter reality of your divorce; your life is full of unwanted changes; and you struggle every day with a mixture of grief, fear, guilt, and anger. God might seem far away right now, but he is not. He is with you in your day of trouble. The Bible says, "But you, O God, do see trouble and grief; you consider it to take it in hand" (Psalm 10:14). God sees you. He sees your trouble. He is the one who is able to "take it in hand" and heal your heart. Although your life is full of changes, God does not change. In him you will find understanding and hope as you face your grief and the power to overcome fear, shame, bitterness, and guilt.

Domestic Abuse -- Powlison, Tripp & Welch Those three counselors reveal ways to clearly communicate God's grace to the victims of violence. They demonstrate how to minister with confidence and humility to the afflicted. They ask, How will you help the privately violent? We learn that violent people have much in common with others. Once you know how to deal with your own sins of anger, you can better help others who struggle with violence.

Don't Blame the Mud -- Marty Machowski For young readers and families, *Don't Blame the Mud* paints a vivid and accurate picture of sin and God's plan of redemption. Written by best-selling children's author Marty Machowski, this beautifully illustrated picture book teaches children how to recognize the lure of temptation and the truth that bad choices lead to bad consequences.

One day, Max takes the muddy path along the creek home, disregarding his mother's reminder to keep his school clothes clean. After crashing into a mud puddle, he tries to hide his mistake and discovers the stain of his sin goes deeper than the mud he can wash away. In this lovable, relatable, and heartwarming tale, Max learns his heart needs to be cleaned, and Jesus is the only one who can wash away his sin.

By clearly articulating the gospel, *Don't Blame the Mud* helps parents create an environment of confession so kids can own up to their own mistakes—in the freedom of Christ—rather than place the blame elsewhere. Parents, teachers, and caretakers can help children identify with the real-life draw of temptation and the real-life consequences of sin, understanding the value of God's salvation through the cross. Instead of teaching kids how to deal with a problem, Machowski uncovers the real issue of sin and provides a gospel answer.

Duties of Parents, The -- J. C. Ryle This book is a brief summary to describe the goals of parents which God holds them to account for. This book provokes much further thought than its few pages contain and will help any family re-assess their goals according to Scripture. This tiny book on Christian parenting will challenge you to the biblical responsibility of godly child rearing.

Eating Disorders -- Edward Welch

What started as an innocent diet has turned into a monster. You eat too little. You eat too much. You restrict. You binge. Some days you wish you could just forget about food. Can someone like you ever learn to eat normally?

Edward T. Welch describes how easy it is, in a weight-conscious world that also uses food for comfort, to take the small steps that lead to a full-blown eating disorder. The way out is by understanding the thoughts and emotions that trigger your eating habits, and then taking the big step of trusting God, instead of your food rules and rituals.

Evangelism-How the Whole Church Speaks of Jesus -- J. Mack Stiles Evangelism is more than a program. Every few years, churches jump into the latest evangelistic fad. Leaders administrate the new program, and members go on a raid. But picture a church where evangelism is simply part of the culture. Leaders share their faith consistently and openly. Members follow, encouraging one another to make evangelism an ongoing way of life. Such is the way of evangelism presented by this brief and compelling book.

Evangelism and the Sovereignty of God -- J. I. Packer If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? In this new edition to the popular *IVP Classics* series J. I. Packer shows how both of these attitudes are false. In a careful review of the biblical evidence, he shows how a right understanding of God's sovereignty is not so much a barrier to evangelism as an incentive and powerful support for it. With over 100,000 copies in print, *Evangelism and the Sovereignty of God* is truly a classic that should be read by every Christian.

Evangelism As Exiles: Life on Mission As Strangers in Our Own Land -- Elliot Clark The days of cultural Christianity are fading. It's time to rethink normal. Suffering and exclusion are normal in a believer's life. At least they should be. This was certainly Jesus's experience. And it's the experience of countless Christians around the world today. No matter your social location or set of experiences, the biblical letter of 1 Peter wants to redefine your expectations and reinvigorate your hope. Drawing on years of ministry in a Muslim-majority nation, Elliot Clark guides us through Peter's letter with striking insights for today. Whether we're in positions of power or weakness, influence or marginalization, all of us are called to live and witness as exiles in a world that's not our home. This is our job description. This is our mission. This is our opportunity. A church in exile doesn't have to be a church in retreat.

Facing Death with Hope: Living for What Lasts -- David Powlison Is a life-threatening illness, a major life change, or just plain old age forcing you to face your own mortality? Is your eventual death looming like a dark cloud over your life? Are you sure of what will happen when you die? How are you dealing with your questions about death? Fear? Dread? Denial? Keeping busy? Probably, like most of us, you'd rather not think or talk about your own death. But ignoring your death won't stop it from happening—the mortality rate is still 100%. Medical advances extend lives, but no one lives forever. In the end, doctors lose every patient. Eventually you and everyone you love will die. Every life on this earth ends in death. But is our death really the very last sentence in our book of life? Or is there something beyond death? Christians have testified with all their hearts for centuries: "I believe in the resurrection of the dead." What does that mean? It means that if you follow Jesus, your physical death will not be the last sentence in your book of life. Jesus' resurrection makes death the second-to-last sentence in your

life. When you die, if you believe in Jesus, you will hear his final say on your life: "Well done, good and faithful servant!...Come and share your master's happiness!" (Matthew 25:21).

Facing A Task Unfinished -- Keith & Kristyn Getty From renowned songwriters Keith and Kristyn Getty comes a powerful collection of new modern hymns! *Facing A Task Unfinished* features mission-oriented lyrics, congregational singing, and guest appearances by Chris Tomlin, Fernando Ortega, John Patitucci, and Ladysmith Black Mambazo. Includes the couple's re-worked version of the 1931 classic hymn, plus "Living Waters," "My Worth Is Not In What I Own," "The Lord Is My Salvation," and more.

Faith and Doubt: When Belief is Hard -- Steve Brown You made a commitment to Jesus (or maybe you didn't), but now you are questioning everything. Is there a God? Are you really forgiven and accepted for Jesus's sake? It sounds too good to be true. And if the Bible really is true and Jesus really did rise from the dead, how come you don't feel any different? Steve Brown, a preacher, pastor, and radio broadcaster, has experienced all of the same kinds of doubts and questions. He gently uncovers for you some reasons we doubt and how to step into the rest of faith. All Christians experience doubt, admitting your questions and turning to God will renew your hope and faith.

Faithful Preacher, The -- Thabiti Anyabwile Lemuel Haynes (1753-1833) reminds pastors that eternity must shape our ministry. Daniel A. Payne (1811-1893) stresses the importance of character and preparation to faithful shepherding. And Francis J. Grimki (1850-1937) provides a vision for engaging the world with the gospel. While they are from the African-American tradition, they, like all true saints, belong to all Christians of every background and era. Distinctive for its use of rare and out-of-print messages, Anyabwile's work is valuable as a reference as well as a devotional resource.

Family Worship -- Donald S. Whitney Gathering together for worship is an indispensable part of your family's spiritual life. It is a means for God to reveal himself to you and your loved ones in a powerful way. This practical guide by Donald S. Whitney will prove invaluable to families - with or without children in the home - as they practice God-glorifying, Christ-exalting worship through Bible reading, prayer, and singing. The book includes a discussion guide in the back for small groups.

Favor -- Finding Life at the Center of God's Affections -- Greg Gilbert Many Christians are under the impression that God's grace and his favor are two different things--that while his grace may be a gift, his favor is something we must earn. This misunderstanding has led to destructive teachings about "prosperity" and blessings, and ultimately to lives that feel unfulfilled and inadequate. Pastor Greg Gilbert puts favor back in its rightful place, as God's gift through Jesus Christ. He shows how the favor that Jesus earned through his perfect life and sacrificial death becomes ours the moment we believe. Knowing we already have God's favor frees us to live joyous lives no matter what our physical or material circumstances. For anyone who has felt beaten down by the burden of trying to earn God's blessings, this book will provide you with a strong start on a life of confidence in God.

Fearing Others: Putting God First -- Zach Schlegel Fishing for compliments, overcommitting, never committing, keeping people at a distance, being defensive, impatient, insecure, or envious-- these are symptoms of the same disease. When we fear other people more than we fear God, we become anxious slaves to their opinions and approval.

But we don't have to compete to be loved. We have great cause to live in peace, joy, and confidence; we just need to understand the depth of our people-pleasing problem and embrace its biblical solution. In this 31-day devotional, Pastor Zach Schlegel uses meditations on God's Word, reflection questions, and practical suggestions for action to guide you toward a freer way of life in service to God. Discover how to take the leap of obedience, fear God alone, and rest in his grace.

Feeling Guilty: Grace for your Mistakes -- Steve Brown Right now you are probably feeling guilty about one thing or another--what you said to your spouse last night, those unrelenting thoughts, something you did years ago and regret, actual lying and cheating, the places where you are struggling right now. What do you do with this guilt? Do you try to ignore it? Bury it? Would you like to know how to handle it for good, how to find true and lasting forgiveness?

Steve Brown shares that real guilt is the compass God uses to lead us back to Christ where we can be reminded that his death paid the debt for all our sins. There is no more punishment left. We are forgiven, and if we're forgiven there's no reason to be swallowed up by guilt. When you know Jesus, there is no longer any need to avoid or be afraid of guilt. If you stray there is always the opportunity for honest confession and repentance, and reorienting your heart to the love of God in Christ.

Finally Alive -- John Piper When Jesus said to Nicodemus, 'You must be born again', the devout and learned religious leader was unsure what Jesus meant. It would seem nothing has changed. Today 'born again Christians' fill churches that are seen as ineffectual at best, and even characterised by the 'mosaic' generation as 'unchristian'. The term 'born again' has been devalued both in society and in the church. Those claiming to be 'born again' live lives that are indistinguishable from those who don't; they sin the same, embrace injustice

the same, covet the same, do almost everything the same. Being 'born again' is now defined by what people say they believe. The New Testament however defines Christians very differently. "When Jesus said to Nicodemus, "You must be born again" (John 3:7), he was not sharing interesting and unimportant information. He was leading him to eternal life... If he does that for you (or if he already has), then you are (or you will be) truly, invincibly, finally alive."

Finally Free -- Heath Lambert Freedom from pornography isn't achieved by simply trying to change or participating in a program---only Christ can release the enslaved from its grasp! Lambert lays out eight biblical strategies for overcoming its powerful draw and clearly demonstrates how the gospel is the key to victory. Embrace a life free of shame, regret, and sexual addiction.

Finding Faithful Elders and Deacons -- Thabiti Anyabwile Every church leader knows the qualifications for elders and deacons that are spelled out in the Bible, but actually finding other leaders who fulfill the biblical qualifications can be difficult. Thabiti Anyabwile writes from his expertise as a pastor and elder, showing how to identify and reproduce legitimate leaders and willing servants throughout the ranks of the local church. Balancing thoughtful analysis of pertinent passages with thorough application for practical use in a contemporary context, Anyabwile answers the questions, "Who should we look for to lead and serve in the church?" and "What should they do to fulfill their calling?"

Finding My Father: How the Gospel Heals the Pain of Fatherlessness -- Blair Linne Blair Linne's personal story of growing up without a father at home reflects the experiences of millions. She weaves her personal story with thoughtful theological reflection, inviting readers to learn from God what "father" really means and to trust him, even if they feel their earthly father has let them down. This book will help readers to shift their eyes from what they do not have in their earthly fathers (who, whether present or absent, loving or the opposite, can never be perfect) to what they do have in their eternal Father, who will never disappoint, reject or abandon them. Readers will see that the gospel promises not just forgiveness but also a place in God's family, experienced in a local church, where they can enjoy the fullness of his fatherly joy, care, wisdom, provision, protection and security.

Follow Me -- David Platt What did you leave behind when you chose to follow Christ? For some, the answers are obvious. If you struggled with habitual sins or addictions like alcoholism, drugs, pornography, violence, or promiscuity, the choice to follow Christ often marks a distinct ending of your old life and beginning of a new one. Or, perhaps you grew up in a culture unfriendly to Christianity, where your conversion would mean instant alienation from friends and family, maybe even a threat to your life. In these situations, the cost of following Christ seems clear. But what if you didn't have a dramatic life-changing encounter with Christ? What if you've always grown up in the church and been immersed in Christian culture your whole life? What does it mean for you to count the cost and follow Him?

For the Love of God-Volume 1 & 2 In a world that views absolute truth, right and wrong, and salvation as being subject to individual interpretation, the Bible's unwavering proclamations and miraculous stories seem obsolete in modern times. But it is not God's Word that has changed. Indeed, its relevancy and its power to transform lives are intact. What has changed is the number of people who consult it. Now more than ever the need to read the Bible, to understand the big picture of its storyline, and to grasp the relevance this has for your life is critical. As with its companion volume, For the Love of God: Volume 1, this devotional contains a systematic 365-day plan, based on the M'Cheyne Bible-reading schedule, that will in the course of a year guide you through the New Testament and Psalms twice and the rest of the Old Testament once.

Forgiveness -- Robert Jones (This book is being replaced by CCEF Bklt "Forgiving Others") Sally, a Christian, laments having an abortion years ago. "I know the Lord has forgiven me, but I just can't forgive myself." What would you say to her? Maybe you yourself have struggled with "self-forgiveness" and wonder how to deal with feelings of guilt. Why is self-forgiveness such an attractive notion? What, if anything, does the Bible say about it? Robert D. Jones identifies five possible assumptions behind the longing for self-forgiveness. In the process, he pinpoints a deeper problem—and a deeper solution to ongoing guilt. By dispelling a number of misconceptions, Jones clears the path to a joyful realization of complete forgiveness in Christ.

Forgiving Others -- Timothy Lane (Replaces CCEF Bklt "Forgiveness") Forgiving someone who has hurt you is one of the most difficult tasks anyone ever faces. In fact, it is so hard that most people avoid it at all costs. But when we don't forgive, we pay the price of bitterness that affects all of our relationships. Is it possible to forgive a great wrong and treat others with compassion despite the way they have treated us?

Timothy S. Lane, drawing on his personal, pastoral, and counseling experience, explains that only when you understand God's love and forgiveness for you, will you be able to forgive those who have deeply hurt you. He applies that truth by explaining what forgiveness looks like in different situations and how to wisely practice forgiveness in the midst of difficult circumstances.

Freedom From Addiction: Turning From Your Addictive Behavior -- Edward T. Welch You've tried to stop more times than you can count. Now you've given up. Can someone who can't "just say no" really change? There is hope—if you are willing to look deeper than your addictive behavior.

Edward T. Welch helps you face what fuels your addiction and takes you straight to the heart of what your addiction reveals about you and your relationship with God. You will discover your true motives and discover that true change is possible—one small step at a time.

Freedom from Guilt: Finding Release From Your Burdens -- Tim Lane Do you ever feel guilty? Guilt feels terrible. What you did keeps playing and replaying in your mind, and you are filled with regrets and “if onlys.” If a lot of people know what you did, your shame and regret increase exponentially. The wider the circle of people who know what happened, the more you suffer. No one likes to feel guilty. But what exactly is guilt? The dictionary says that guilt is “an awareness of having done wrong or committed a crime, accompanied by feelings of shame and regret” (*Encarta Dictionary*). Since all of us have either done wrong things or failed to do right things, we have all experienced guilt. You can devise all kinds of ways to try to get rid of your guilty feelings. But your guilt is not just a feeling or a personal problem—it really has to do with your relationship with God. How you deal with your guilt depends on how you view God and what place he has in your life. How do you handle your guilt? There are many wrong ways to deal with your guilt. The one thing they all have in common is that they don't work. They might make you feel better momentarily, but they won't take away your guilt. The only right way to deal with guilt is by going to God. Only then will you experience true, lasting freedom from guilt.

Freedom from Resentment: Stop Hurts from Turning Bitter -- Robert Jones Everyone experiences hurt in relationships, but most of the time we are able to forgive and forget. But sometimes we experience a major hurt that lingers in our minds and leads to bitterness. We feel trapped by the resulting hostility, ongoing broken relationships, and inability to move on. Can you escape the sorrow and soul impoverishment that bitterness brings?

Robert D. Jones explains how a relationship with Jesus, a man of sorrows and familiar with suffering, can free you from bitterness. Then he outlines practical ways to live out the gospel in difficult relationships. Healing and freedom is possible, even for long-lasting hurts.

Friend Who Forgives, The -- Don DeWitt Do you ever talk before you think? Mess up? Let others down? That's what Peter did, again and again and again, and it led him to abandoning his best friend, Jesus. Peter loved Jesus. He felt terrible when he pretended not to know him. He thought all was lost when Jesus died. But Jesus is not like our other friends. He wants to forgive us when we are really sorry, even when we mess up again and again and again. And because Jesus died and rose again, he can. Jesus' death took the punishment for all of Peter's mistakes and all our mistakes, and his resurrection showed the penalty was lifted. After he rose from the dead, Jesus went and found Peter and forgave him, and he can do the same for us. Peter spent the rest of his life telling people that if they put their trust in Jesus, they could be forgiven too—again and again and again.

Children know all about failing, but they don't always experience true forgiveness. This book points them to Jesus, the Friend who will forgive them again and again and again.

Future Grace, Revised Edition: The Purifying Power of the Promises of God -- John Piper In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more.

Gentle and Lowly: The Heart of Christ for Sinners and Sufferers - Dane C. Ortlund Christians can easily feel that Jesus is perpetually disappointed and frustrated, maybe even close to giving up on them. They know what Christ has done for them—but who is he? How does he feel about his people amid all their sins and failures? In Matthew 11, Jesus describes himself as “gentle and lowly in heart,” longing for his people to find rest in him. This book reflects on his words, diving deep into Bible passages that speak of Christ's affections for sinners and encouraging believers as they journey, weary and faltering, toward heaven.

Getty Kids Hymnal, The- In Christ Alone -- Keith & Kristyn Getty Features twelve hymns, old and new, sung by kids and for kids! Includes memorable, sing-along versions of "Living Waters," "The Wondrous Mystery," "Lift High The Name Of Jesus," and more.

God and the Transgender Debate -- Andrew Walker What is transgender and gender fluidity? What does God's Word actually say about these issues? How can the gospel be good news for someone experiencing gender dysphoria? How should churches respond?

This warm, faithful and careful book helps Christians understand what the Bible says about gender identity. It will help us to engage lovingly, thoughtfully and faithfully with one of the most explosive cultural discussions of our day. If you want to learn more and love better, and are open to considering what God has to say about sex and gender, this hope-filled book is for you. This book includes a section looking at practical questions including: "Can someone be transgender and Christian?" "Should I mind if people who are biologically the other sex are in my restroom?" "What should church leaders do if a congregation member asks for their child to be identified as the opposite gender?" "Is it true that Christian teaching is harmful and can lead to depression and higher suicide rates?" "What about people who are born intersex?"

God Made Boys and Girls: Helping Children Understand the Gift of Gender -- Marty Machowski *God Made Boys and Girls* helps children understand that their gender is a gift from the God who made them and loves them. The story begins as the girls and boys at Grace Christian School are discussing if boys will always be boys and girls will always be girls. Their teacher explains that God gives each of us the gift of being male or female before we are born, and that you continue to be a boy or a girl whether you like to climb trees or play house, play tag or color pictures, cause a ruckus or sit quietly. In a world where there is so much confusion about gender and identity, pastor and best-selling author Marty Machowski shares the simple, clear truth that all of us are made in God's image as either male or female—and what God made is very good! Included in the back of the book is a special section just for parents and caregivers that gives biblical guidance and help as they have this important conversation with their children.

God Made Me AND You: Celebrating God's Design for Ethnic Diversity -- Shai Linne This beautifully illustrated children's book invites kids to explore God's design for ethnic diversity and challenges readers—both parents and children—to learn and live out counter-cultural, biblical views, fostering a lifelong celebration of diversity for the glory of God.

Because Scripture teaches that ethnic diversity is not something that should be tolerated but rather enthusiastically embraced, Christian hip hop artist Shai Linne helps children, parents, and caregivers to celebrate this biblical truth through a lyrical, rhyming style and colorful illustrations. *God Made Me and You* is an approachable guide for families to begin conversations about cultivating a God's perspective on ethnic diversity, confronting the sins of racism, bigotry, and ethnic pride.

Because children learn from family members, media, or peers, parents and caretakers have a responsibility to teach their children what God has to say about the beauty of diversity in his image-bearers, with a particular focus on ethnic diversity. This colorful and compelling children's book serves as a resource and lifelong gift for children and parents, helping families understand diversity from a biblical perspective and with a clear picture of the beauty and glory of God.

God's Design for Man and Woman: A Biblical Theological Survey -- Andreas J. Kostenberger, Margaret Elizabeth Kostenberger This thorough study of the Bible's teaching on men and women aims to help a new generation of Christians live for Christ in today's world. Moving beyond other treatments that primarily focus on select passages, this winsome volume traces Scripture's overarching pattern related to male-female relationships in both the Old and New Testaments. Those interested in careful discussion rather than caustic debate will discover that God's design is not confining or discriminatory but beautiful, wise, liberating, and good.

God's Very Good Idea -- Trillia Newbell *God's Very Good Idea* by Trillia Newbell is all about God's delightfully different family. Everyone you see is different than you, and the same as you. We look different, speak different and play different---but we are all valuable. That's because, in the beginning, God had the very good idea of making us that way. This is the story of His idea---and how you can be a part of it!

Goldsworthy Trilogy: Gospel and Kingdom -- Graeme Goldsworthy Combining three incredibly important books for the teaching of the Church, this book offers a complete and comprehensive guide to understanding the Gospel throughout the whole of Scripture. Hugely popular, this collection containing *Gospel & Kingdom*, *Gospel & Wisdom* and *The Gospel in Revelation* is being released in this special format and will be an essential guide to be used again and again for those who seek to understand the Bible in the light of who Jesus is. Those already acquainted with Goldsworthy's work will be familiar with his pithy and engaging style. Straightforward in his approach, he looks at how the Bible can only be understood through the eyes of the Gospel. This being the base of his interpretation, he studies the Old Testament and its application for today, Israel's wisdom literature and its role in the Christian life and the purpose and contemporary relevance of the book of Revelation, his knowledge of Old Testament idiom and structure enhancing his writing. This trilogy follows the Bible chronologically to give the reader a complete overview of evangelical Biblical interpretation forming an essential one-stop reference that will last a lifetime.

Good and Angry: Redeeming Anger, Irritation, Complaining and Bitterness -- David Powlison This book shows readers how anger is more than a problem to solve. Anger is our complex human response to what we perceive as wrong in a complex world, thus we must learn how to fruitfully and honestly deal with it. Powlison undertakes an in-depth exploration of the roots of anger, moral judgment, and righteous response by looking in a surprising place: God's own anger. Good and Angry examines God's desire for justice and his anger, which doesn't devolve into manipulation. Rather, God's anger is good and redemptive, and it causes him to step into our world to make wrongs right, sending his own Son to die so we can be reconciled. In this book full of practical and biblical help, Powlison sets readers on a path toward a faithful and fruitful expression of anger, in which we return good for evil and redeem wrongs. Powlison investigates how God is our model for change and our power for change. Good and Angry helps people who struggle with irritation, complaining, or bitterness explore how to respond constructively when life goes wrong. You, your family, and your friends will all be glad that you read this book.

Goodbye to Goodbyes: A True Story about Jesus, Lazarus and An Empty Tomb -- Lauren Chandler Jesus knew how scary it is when someone gets really sick. He knew how sad it is when someone dies. Jesus cried when his friend, Lazarus, died. But he did something at his friend's tomb that changed everything. He showed that he came to give his friends life in the land that lies after our dying.

In this vivid, moving and exciting retelling of the story of Lazarus, Lauren Chandler helps children understand how Jesus makes all the difference to death. Children will see that because Jesus rose from death, he has power over it and all who believe in him will also rise, just as Lazarus did.

The author, Lauren Chandler, used the story of Lazarus to help her own children come to terms with her husband's (Matt Chandler) brain tumor. Whether children are coming to terms with the illness or death of a loved one, or simply fearful of when that day might come, this book reassures them with the amazing truth that Jesus came to say goodbye to "goodbyes" forever.

Gospel and Personal Evangelism, The -- Mark Dever Pastor Mark Dever seeks to help readers understand the biblical foundations of evangelism and challenge them to develop a culture of evangelism in their lives and their local churches.

Gospel at Work, The -- Sebastian Traeger & Greg Gilbert Many Christians fall victim to one of the two main problems when it comes to work: either they are *idle* in their work, or they have made an *idol* of it. Both of these mind-sets are deadly misunderstandings of how God intends for us to think about our employment. In The Gospel at Work, Sebastian Traeger and Greg Gilbert unpack the powerful ways in which the gospel can transform how we do what we do, releasing us from the cultural pressures of both an all-consuming devotion and a punch-in, punch-out mentality--in order to find the freedom of a work ethic rooted in serving Christ.

Gospel Comes with a House Key, The -- Rosaria Butterfield The word "hospitality" can often create various levels of anxiety because of the perfect images of fashionably dressed hosts and impeccable homes that media and culture bombard us with. Yet, Rosaria Butterfield, in The Gospel Comes with a House Key, casts a far more reassuring and ordinary vision for what hospitality should actually look like. Using engaging stories from her own experiences of being on the receiving end of radically ordinary hospitality, Butterfield shows how one's simple, but authentic, welcome can become a bridge for the gospel to reach the lost friends and neighbors in your life. This type of hospitality views our homes as God's tools where authentic love and grace can be seen in action, revealing what true Christian faith looks like.

Gospel for Muslims, The -- Thabiti Anyabwile If you wanted to share the gospel with Muslims, could you? There are over three million Muslims living in the United States today. Soon, if not already, you will have Muslim neighbors and coworkers. Does the thought of reaching out to them with the gospel make you nervous? How can you effectively communicate the good news with such large theological differences? The Gospel for Muslims can help make sharing your faith easier than you think.

The Gospel for Real Life -- Jerry Bridges The gospel of Jesus Christ is the door to eternal life, but what difference does it make once we're inside God's kingdom? Jerry Bridges says the gospel is the very lifeblood of our walk with God. It is the key to our salvation, for sure, but it is also the power for our daily progress in holiness. This new paperback edition includes a study guide to help you experience every day "the unsearchable riches of Christ" that are available to us in the gospel.

Gospel-Centered Family: Becoming the Couple God Wants You to Be -- Tim Chester In twelve chapters, Gospel-Centered Family takes us through the major Bible principles for family life, challenging us to give up our "respectable" middle-class idols, and to become the distinctively different people that God, through His gospel, calls us to be. Written in a workbook format with discussion questions and action ideas, the focus is on intersecting the gospel story with your family life.

Gospel-Centered Marriage: Becoming the Parents God Wants You to Be -- Tim Chester, Ed Moll This practical guide to Christian marriage focuses on how the gospel shapes the everyday realities of married life. It lifts the lid on many of the common pressure points that modern couples face, and shows how a proper understanding of the gospel leads to a fruitful, faithful and fulfilling relationship.

Gospel-Powered Parenting -- William P. Farley Not your everyday book on parenting, *Gospel-Powered Parenting* is a practical guide to parenting that highlights the differences the Gospel makes in the lives of parents as much as it does about parenting techniques. Farley talks about the spiritual basis of parenting, a subject most books ignore.

Gospel Story Bible, The -- Marty Machowski Best-selling children's author Marty Machowski's beautifully illustrated storybook captivates young readers with the heart of the gospel. In this easy-to-read children's book, families are invited to see Jesus clearly in the people, places, and events of the Old and New Testaments. The Gospel Story Bible points to Jesus, helping families and kids identify Christ as the hero of every story. While it's easy to forget Jesus in the midst of frantic schedules, family squabbles, and conflicting priorities, Machowski reminds families of God's plan of salvation in Christ, which is continually on display throughout the Bible. This gospel-driven resource orients the minds of children toward the wondrous works of God, encouraging them to see Jesus in a larger context of redemptive history. As a treasure for both parents and young children, The Gospel Story Bible traces the gospel through the Bible with clarity and traction for all ages.

Vibrant illustrations, child-friendly discussion questions, and Scripture references accompany each narrative to help you lead in effective family Bible study. You will be delighted to discover how easily even a young child can understand the original text of a story he or she has already come to love. Grief: Finding Hope Again -- Paul Tripp I'll never forget those grief-stricken eyes—sad, hollow and distant. She watched helplessly as her husband's life withered away. He was a good man in his early forties, the father of two children, and committed to Christ, family, and ministry. Her husband's dying pushed her to the borders of her faith. What good, what love, what meaning could she find in the death of this young husband and father? How could God let this happen? The Bible isn't arranged by topic. We can't go to the section on grief and collect what we need for life's darkest moments. Yet God's great story of redemption has much to say about your story of grief. This booklet, I hope, will help you see how your story of loss fits in the larger story of God's plan to fix everything that sin has so cruelly broken.

Grieving a Suicide -- David Powlison Someone you know and love has died. You feel the emptiness and sorrow of loss. That alone is extremely hard. But suicide adds many other painful reactions to the heartache that death brings. Common reactions are feelings of anger, guilt, betrayal, and many, many unanswerable questions. This is one of life's broken, dark experiences in which you need help and encouragement to remember that the promises and presence of your God and Savior are real. In the midst of this darkness, David Powlison points you toward God who will be with you, uphold you, and help you live by faith through this tragedy.

Guidance -- James Petty Explains the biblical teaching that God has one specific plan for each person's life, a plan that one's circumstances and choices fulfill in every detail.

Gus Loses His Grip: When You Want Something Too Much -- David Powlison Gus, a raccoon who loves all things sweet, learns what happens when you want something too much. After Gus gets caught taking candy from the store, Papa reminds him that temptation might be strong for us, but it's not too strong for Jesus. Both Gus and Papa can ask Jesus for help when they want something too much. The last page contains information for parents on how God, in his Word, helps us turn to Jesus when we are tempted. Together children and parents will be guided into meaningful conversations about living by faith in the details of

everyday life. Also included is a tear-out page of “Back Pocket Bible Verses” that will give children a practical way to remember God’s words when they want something too much.

Healing Broken Relationships -- Jayne Clark Arguments. Betrayal. Inattention. Some of the reasons that relationships shatter. Anger. Confusion. Hurt. Frustration. Some of what we feel when a relationship falls apart. We all have experienced how hard relationships can be in this broken world.

Experienced counselor Jayne Clark unpacks the issues that can lead to a broken relationship and then guides readers to a deeper trust in Christ—the one who died so that our relationship with God could be restored. You can look to him, the friend who “sticks closer than a brother,” and ask him for wisdom, help, and the ability to forgive. As you trust in him, no matter the outcome of your relationship struggles you can be confident that God is good, that he is in this with you and that he will use it for your good and his glory.

Health, Wealth, and the (Real) Gospel: The Prosperity Gospel Meets the Truths of Scripture - Sean Demars and Mike McKinley Having experienced its damaging effects, Sean DeMars and Mike McKinley set out to reveal the insidious toxicity found in the prosperity gospel. Naming and claiming promises of material blessing for those who believe enough may seem at first glance to be biblical but turn out to be a distortion of God’s truth. Beginning by countering claims made by the prosperity gospel with what scripture

actually teaches, they highlight the places in scripture that stand directly opposed to prosperity teachings. They explore what the Bible teaches about whether people who believe false doctrine are eternally saved, and how to examine our hearts for a prosperity–style understanding of God.

Heaven -- Randy Alcorn As the years pass and we watch more and more of our family, friends and mentors pass away, it is only natural to ask questions about heaven. However, our understanding of heaven is often limited to a few half-forgotten Sunday school lessons and the insubstantial images provided by popular movies and T.V. Fortunately, in *Heaven* Randy Alcorn provides us with a thoroughly researched and biblically definitive description of heaven. As Alcorn addresses our most serious questions about heaven, including the nature of judgment, and answers a few of our less serious questions as well, including the accessibility of cafe mochas in the sweet by and by. Readers will develop a deeper understanding of our eternal destination and find the courage to strive for heaven while living on earth.

Help for Stepfamilies --Winston Smith Does your family include children from previous marriages? If it does, then you are a member of a unique kind of family—a stepfamily. Maybe you have seen light-hearted portrayals of stepfamilies on television, like the Brady Bunch or Step by Step where the challenges stepfamilies face are solved in thirty minutes. But if you are actually in a stepfamily, you know how different, and sometimes difficult, stepfamily life can be. Blending two separate families into one household is rarely an easy process. Family traditions, values, interests, and parenting styles are often poles apart, so simple questions like, “Who does the dishes tonight?” or “Where shall we go for Christmas?” can quickly become flashpoints of conflict. But whether you are in a stepfamily or about to enter one, don’t give up hope. God “sets the lonely in families” (Psalm 68:6), and that includes stepfamilies also. Stepfamilies do face unique challenges, but as you understand what those challenges are and ask God for help, you will find that there are also unique blessings to be found in your new, blended family.

Help for the Caregiver Facing the Challenges with Understanding and Strength -- Michael Emlet If you are a caregiver for someone who is chronically ill, you are probably asking the same kinds of questions. This booklet will give you a framework to guide you as you care for someone with ongoing physical and mental problems. Although the specifics of providing care for stroke victims, Alzheimer’s sufferers, or those with bipolar disorder are very different, there are general principles you can apply to your situation that will help you to think biblically, act lovingly, and persevere even when you feel like throwing in your caregiving towel.

Help! My Spouse Committed Adultery: First Steps for Dealing with Betrayal -- Winston Smith Your spouse was unfaithful. Those four words don’t do justice to the horror and pain you are experiencing. Betrayal takes your emotions all over the map. One moment you are burning with rage, next you are overwhelmed with fear, and then you just feel numb. These are all normal responses to the horror of betrayal. Winston Smith is a faculty member at CCEF. He holds an MD degree from Westminster Theological Seminary. He has been counseling for twenty years and is the author of *Marriage Matters: Extraordinary Change through Ordinary Moments*.

Helping Your Adopted Child -- Paul David Tripp Long before you decided to adopt, long before your child was born, God planned to put your adopted child into your home. Your child is an amazing gift from God, but nurturing an adopted child also brings unique challenges.

Understanding your adopted child from God's perspective will allow you to address those challenges by faith and with hope. Learn from counselor and adoptive father Paul David Tripp how to help adopted children understand their identity and place in God's world.

Helping Your Anxious Child -- Julie Lowe When your child is anxious, it's easy to get anxious too. You want to help your child regain a sense of peace and safety, but how can you? This world is big and scary and sometimes our worries get big too.

Julie Lowe, a skilled family counselor with more than twenty years of experience, guides parents in assessing their child's anxiety and gives practical ways to encourage and help worried children. She leads parents away from quick fixes that contribute to dependencies and points them to Christ, the One who is always available, loving, and powerful.

Henry Says Goodbye: When You Are Sad -- Edward Welch Henry the hedgehog loves his pet ladybug. She keeps him company and entertains him, his family, and his friends with her flying tricks. But one day, he has to say good-bye to his ladybug. Henry and his whole family are sad, but they learn to go to Jesus with their sadness and ask him to comfort them. The last page contains information for parents on

how God, in his Word, helps us turn to Jesus when we are sad. Together children and parents will be guided into meaningful conversations about living by faith in the details of everyday life. Also included is a tear-out page of "Back Pocket Bible Verses" that will give children a practical way to remember God's words when they are sad.

His Mercy Is More (CD)

The Hymns of Matt Papa and Matt Boswell

Hole in Our Holiness, The -- Kevin DeYoung If there is a hole in our holiness, Pastor DeYoung believes it's that evangelicals don't look particularly holy! Looking to right the balance between grace and legalism, he presents an engaging exploration of sanctification and union with Christ. Discover the critical relationship between being joined to Jesus and being like him.

Hope for the Depressed -- Ed Welch (This book replaces CCEF Bklt "Depression") Depression makes so many things hard. Things you used to take for granted—a good night's sleep, having goals, responding to someone's love, looking forward to the future—now seem beyond reach. Is there any hope and help for those who are struggling with depression?

Edward T. Welch insightfully describes the world of the depressed person and gives a biblical perspective on the causes of depression. Then he outlines small, practical steps that will teach you to cry out to God and depend on him in the middle of your struggle.

How Do I Stop Losing It with My Kids? Getting to the Heart of Your Discipline Problems --

William Smith Dinner is late again, and the living room looks like a failed disaster relief effort. You ask your son to put away his part of the mess, but he ignores you. You turn the TV off; he gives you a surly look. You say, "Don't ignore me, and get that look off your face!" He mimics you under his breath and doesn't move. Your face flushes, and you say, "I'm not going to stand for disrespect in my own home, and you'd better move fast if you want dinner." He gets up slowly and mutters, "Whatever." Without thinking, you reach out and slap him. He stands speechless with surprise, anger, and embarrassment running across his face. Suddenly he's respectful *and* listening to you! You're surprised, but secretly delighted. It worked! Easy, quick, and effective! Who could ask for anything more? Your conscience could, and it is. A small nagging voice in the back of your mind isn't letting you walk to the kitchen feeling guilt-free and good about yourself. Your slap seemed to "work," but you sense that it wasn't right. That's good. Your unsettled feeling means your conscience is still alive.

How Long, O Lord -- D. A. Carson This clear and accessible treatment of key biblical themes related to human suffering and evil is written by one of the most respected evangelical biblical scholars alive today. D.A. Carson brings together a close, careful exposition of key biblical passages with helpful pastoral applications. The second edition has been updated throughout.

How Now Shall We Live? --Charles Colson/Nancy Pearcey If we are going to respond to Paul's command to "not conform any longer to the teaching of this world, but be transformed by the renewing of your mind" we will need to develop a Christian worldview. In *How Now Shall We Live* Colson and Pearcey carefully lay the foundation of a Christian worldview and enable you to develop a Christian perspective on every aspect of life. If you want your faith to help you counter what your children are learning in school, challenge the decadence of popular culture and impact the lives of unsaved family and friends, consider *How Now Shall We Live* required reading!

How to Love Difficult People -- William P. Smith Prickly, defensive, nasty, volatile, withdrawn, miserable...aren't there days when you feel surrounded by difficult people? How do you cope? You can try avoiding them, gossiping about them, or giving them a piece of your mind. But wait! Don't your reactions make you hard to love too?

William P. Smith explains that learning how to deal with difficult people starts with understanding that God's pursuing love is not just for them; it's for you too. You need God's love and forgiveness just as much as they do. Knowing the love of God will change your attitude, your goals, and your actions toward the difficult people in your life. And that just might encourage them to change too!

How to talk to your Kids about Sex -- William P. Smith You don't want to make a big deal out of it. Isn't everyone else already talking about sex? Yes, they are talking, and their words are shaping your child's understanding right now. In a culture that glorifies casual sex, kids will only learn to think biblically about it when parents speak up. CCEF's How to Talk to Your Kids about Sex: Honesty and Openness for a Sensitive Subject by William P. Smith shares a practical, non-threatening model that will connect your child to God's perspective on sex and intimacy. As you initiate intentional conversations, you will create a safe and God-honoring space for your child to ask questions about sex and receive biblical answers.

Humility: True Greatness -- C.J. Mahaney God clearly states that he is drawn to the humble. He's also clear that He opposes the proud. These two, humility and pride, cannot coexist. Where one is fostered, the other is defeated.

Which will you pursue? C.J. Mahaney paints a striking picture of the daily battle quietly raging within every Christian and asks whether you will passively accommodate the enemy of your soul, pride, or actively cultivate your best friend, humility. When you acknowledge the deception of pride and intentionally humble yourself, you become free to savor abundant mercies and unlikely graces. You will find a new life is yours - a life God richly favors. A God-glorifying life you don't want to miss.

I

I Just want to Die: Replacing Suicidal Thoughts with Hope -- David Powlison Are you having suicidal thoughts and feelings? Perhaps you are convinced that life is not worth living. You feel like your world is collapsing in on you. Your life seems hopeless—like a black hole with all love, hope, and joy sucked out. If you are contemplating suicide, you have already done a lot of thinking about your life. But have you also thought about how God views your life? **Your Life Matters to God!!** Right now you are living in a world of despair. You can't see any solution to your problems. You're not looking forward to anything. The future seems empty. But God's perspective on your life is very different. Your life is precious to him. He knows everything about you—even how many hairs are on your head. He loves you to such a degree that he sent his own Son to die for you (John 3:16). Your life is so significant to him that he forbids you to take it. God says that all murder is wrong, and that includes the self-murder of suicide (Exodus 20:13).

I'm Exhausted -- David Powlison If you're reading this minibook, it's likely that you or someone you love is struggling with profound, long-lasting fatigue. Psalm 46 assured me, "God is an ever-present help in trouble." The essential dynamic of my moments and days became, "Lord, this is trouble. Help!" And he helped. God will also help you. Extreme fatigue strips life down to the bare basics of human need and God's grace. As you learn to call upon God, you will find him. He will meet you, sustain you, comfort you, and give you hope. God "comforts us in all our troubles, so that we can comfort those in any trouble with the comfort we ourselves have received from God" (2 Corinthians 1:4). God comforted me in my affliction. This small book is one way God has given me to offer that same comfort to you. I want to share with you the things that God has taught me through one of the hardest times in my life.

Instruments in the Redeemer's Hand -- Paul Tripp A comprehensive treatment in the lives of others, people who themselves are in need of change. In many ways, the church today has more consumers than committed participants. We see church merely as an event we attend or an organization we belong to, rather than as a calling that shapes our entire life. The author explains how his work follows an "all of my people, all of the time model." If you followed the Lord for a thousand years, you would still need the ministry of the body of Christ as much as you did the day you first believed. This need will remain until our sanctification is complete in Glory.

Is God Anti-Gay? -- Sam Allberry Christians, the church and the Bible seems to be out of step with modern attitudes toward homosexuality. Does the Bible prohibit gay marriage? How can we oppose people who are in love, and just expressing how they were made? Can God really be anti-gay? This short, readable book offers a positive and liberating way forward. It explains clearly and simply what we can say with certainty from the Bible about marriage, sexuality and same-sex attraction.

Knowing God -- J.I. Packer J. I. Packer's *Knowing God* has become a classic of the Christian faith. Why? While it gives us information about God with clarity and grace, it does much more---it aids us in actually knowing him, in building our relationship with him, and helps draw us closer to him in love and worship. Stephen Viars shows you the importance of integrity as the foundation of leadership and points you toward a vibrant relationship with Christ, the greatest leader of all. Let the Nations Be Glad! -- John Piper A modern classic in missiology. A trusted guide for thousands of missionaries, pastors, churches leaders, and laity, it provides a biblical basis for missions, the expansion of the Gospel, and for worship. The third edition has been expanded to include new material critiquing the prosperity gospel and its presence in the church and in missions.

Life After Retirement -- Stephen Brown Retirement can seem like the light at the end of a very long tunnel of hard work. But for many of us, the reality doesn't quite match up to our hopes. We struggle with a loss of purpose, and the activities and interests we couldn't wait to have more time for suddenly don't seem quite as satisfying as they were. When it's time to make the transition to retirement, instead of relief, it's easy to feel a bit lost.

With customary humor and grace, Steve Brown walks through the questions of significance and opportunity and reveals a vision for life after retirement that is both realistic and revitalizing. By reminding you that God's grace, love, and purposes for you have never and will never stop, he connects you to the bigger picture of your participation in God's redemptive plan that carries throughout your entire life.

Life Together -- Dietrich Bonhoeffer After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. In his book *Life Together* we learn of Pastor Bonhoeffer's experience within Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical, words. *Life Together* serves as bread to all who are hungry for the real life of Christian fellowship.

Living In A Dangerous World: Moving from Fear to Faith -- William P. Smith Everyone is afraid of something. Fear is part of the human experience of living in a broken, fallen world. We try to manage our fears, but our coping mechanisms impact our faith. We hoard resources and stop praying for provision. We stockpile information and forget to seek godly wisdom. Yet we continue to live anxious lives. In *Living in a Dangerous World: Moving from Fear to Faith*, William P. Smith explains that our faith should, instead, change our strategies for dealing with fear. He offers practical guidance on how to exchange fear for faith by learning to find security in our relationship with an all-sufficient, unchanging God.

Living Life Backward (How Ecclesiastes Teaches Us to Live in Light of the End -- David Gibson Only by keeping the end in mind can a person truly learn how to live in the here and now. Living in light of our death reorients us to our limitations as creatures and helps us see God's good gifts right in front of us--enabling us to live wisely, freely, and generously. Drawing on wisdom from the book of Ecclesiastes, David Gibson teaches us to embrace this countercultural mind-set and live life backward: to take the one thing in the future that is certain--our death--and work backward when it comes to our priorities, goals, desires, and decisions. If we do this, we'll learn that only with a proper perspective on death can we find meaning and satisfaction in life--and see just how great God is.

Living with an Angry Spouse -- Edward Welch It shouldn't be. You married someone you trusted, and you gave yourself to that person. How could it be that the person you once trusted with your life now acts like the person who could take your life? Whether you are facing unpredictable anger or outright physical abuse, this is betrayal at its worst. It just shouldn't be. **You Are Not Alone**--A quick scan of the internet reveals that you are certainly not alone. Twenty-five percent of adult women say they have experienced violence at the hands of their spouse or partner in a dating relationship. This booklet is written especially for women. If you have experienced violence and are living scared, statistics are not much comfort. Women who live in identical conditions don't protect you or give you hope for peace and reconciliation. But the numbers do remind you that others know the pain of such a living situation, and that resources are available to help you. Where can you turn for help? Where can you find a wise friend to guide you? Do you attend a church? Talk to your pastor.

Loneliness -- Jayne Clark (This book is being replaced by CCEF Bklt "Single and Lonely") Everyone feels lonely at times. In fact, loneliness began in the Garden of Eden, when Adam and Eve a married couple experienced separation from God and each other. Sin's entrance into the world created loneliness. The remedy, says Jayne V. Clark, is not what fills the void, but Who fills the void. Clark helps us to understand that our union with Christ leads to our union with one another. Believers are a family, the bride of Christ, and, just like siblings and spouses, we have the power to impact our own loneliness and to lessen or intensify the loneliness of others. If your goal is to solve your loneliness, you will end up using people, Clark tells us, but when you seek first the kingdom of God and his righteousness (Matt. 6:33), you will end up loving people.

Long Story Short -- Marty Machowski Family Bible study doesn't have to be complicated. Best-selling children's book author Marty Machowski helps busy parents share the gospel story with their kids through *Long Story Short*, an outstanding devotional book full of stories, illustrations, and applicable learning suggestions.

Both practical and simple, this beautifully designed book is faithful and interactive to Scripture. With just ten minutes a day, five days a week, parents have enough time to pass on the most valuable treasure the world has ever known. *Long Story Short* is a family devotional program designed to cultivate honest and powerful discussion about the Bible, which is the catalyst for change in children's lives.

Making All Things New: Restoring the Sexually Broken -- David Powlison Sexuality was a part of God's good creation from the beginning. But with sin came a world filled with sexual brokenness. Thankfully, God is always in the business of restoration. This book offers hope for both the sexually immoral and the sexually victimized, pointing us all to the grace of Jesus Christ, who mercifully intervenes each moment in our lifelong journey toward renewal. Author David Powlison casts a vision for the key to deep transformation, better than anything the world has to offer--not just fresh resolve, not just flimsy forgiveness, not just simple formulas, but true, lasting mercy from God, who is making all things new.

Masculine Mandate, The -- Richard D. Phillips In *The Masculine Mandate*, Richard D. Phillips cuts through the cultural confusion, highlights God's mandate for men, and encourages readers to join him on a journey of repentance and renewal. Phillips begins in the Garden of Eden, drawing foundational teaching for men from the earliest chapters of God's Word. This is teaching that reaches into all of life. Christian men today need to examine their hearts and embrace their God-given mandate. Only then will they be able to recognize their high calling, and by God's grace, serve faithfully in whatever context God has placed them.

Master Plan of Evangelism, The -- Robert Coleman It all started when Jesus called a few men to follow him and share God's message with their neighbors. We are called to do the same. But evangelism can be difficult - even intimidating. With all the evangelism resources available, where should you turn to find advice on how to share the Good News with others? Robert E. Coleman (*The Master's Way of Personal Evangelism*) says the answers aren't found in TV evangelism, easy-evangelism guidebooks, or the latest marketing techniques. Moon Is Always Round, The -- Jonathan Gibson Even young children want answers to the hard questions about God and suffering. In this beautiful, full-color illustrated book, he allows readers to eavesdrop on the conversations he had with his young son in response to his sister's death. Father and son share a simple liturgy together that reminds them that, just as the moon is always round despite its different phases, so also the goodness of God is always present throughout the different phases of life. A section in the back of the book offers further biblical help for parents and caregivers in explaining God's goodness to children. Jonathan Gibson reminds children of all ages that God's goodness is present in the most difficult of times, even if we can't always see it.

New Reformation, The Finding Hope in the Fight for Ethnic Unity – Shai Lynne

In the sixteenth century, the church faced a doctrinal crisis. Today, the crisis is race.

We all know that racial unity is important. But what's the right way to approach it? How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides?

In *The New Reformation*, Christian hip-hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity. When it comes to ethnicity, Christians today have to fight against two tendencies: idolatry and apathy. Idolatry makes ethnicity ultimate, while apathy tends to ignore it altogether. But there is a third way, the way of the Bible. Shai explains how ethnicity—the biblical word for what we mean by “race”—exists for God's glory.

Drawing from his experience as an artist-theologian, church planter, and pastor, Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God.

Oneness Embraced -- Tony Evans We must learn to live together as brothers, or we will perish together as fools.— Martin Luther King Jr. With the Bible as a guide and heaven as the goal, *Oneness Embraced* calls God's people to kingdom-focused unity. It tells us why we don't have it, what we need to get it, and what it will look like when we do. Weaving his own story into this word to the church, Tony Evans tells of a life spent between two worlds. As a young theologian he straddled black, urban culture and white, mainline evangelicalism. Now, three decades later, he offers seasoned reflections on matters of history, culture, the church, and social justice. In doing so he gives us a biblical and pastoral guide for striving for unity across racial and socioeconomic divides. This call for unity is as timely as ever. If the church practices oneness, America will have a guide for becoming the one nation under God it declares itself to be.

Questioning Evangelism: Engaging People's Hearts the Way Jesus Did -- Randy Newman Sometimes the best answer is a question. It's the way Jesus often talked with people as He led them into discussions about the issues that mattered most. In this second edition of the perennial best-seller Questioning Evangelism, Campus Crusade for Christ veteran Randy Newman forwards thought provoking and practical insights to help Christians engage others in meaningful spiritual conversations. Emerging out of years of his own questioning style of evangelism, Newman suggests that asking questions doesn't tell unbelievers what to think but instead challenges how we think about people, their questions, and our message. This second edition includes a chapter in which the author reflects on the success of the book and what that has taught him, as well as a new foreword by Lee Strobel.

Raising Sexually Healthy Kids -- David White (Replaces CCEF Bklt "Teens and Sex") In an increasingly sexualized world, it's difficult to know how to teach your children about their sexuality in a godly way. On the one hand, you don't want to give the impression that sex is bad or make them feel ashamed of their bodies. But on the other, you don't want to reinforce the message, "If it feels good, do it." How do you instill a godly view of sexuality into your child without just giving them a list of "don'ts"?

From his years of ministry on sexual issues, David White equips you to help your child form a positive, biblical framework for their sexuality. He walks you through how to build a basic foundation for understanding God's purposes

for sex, as well as giving you tips for how to address more complex issues that may arise as your child grows older and more aware of other expressions of sexuality.

Reason for God, The -- Timothy Keller How could a loving God send people to hell? Why does he allow suffering? Can one religion be "right" and the others "wrong"? Responding to the questions of open skeptics and ardent believers, Keller draws from literature, philosophy, reason, and real-life conversations to explain how faith in a Christian God is a soundly rational belief.

Anyone concerned with the fundamental question of the proper relationship between men and women in home, church, and society will want to read this book.

Recovering From Child Abuse -- David Powlison You have been victimized by a terrible wrong. During your childhood, the time you were most vulnerable, instead of being protected, helped, and comforted you were abused. Most likely you were abused by someone who should have been trustworthy—a family member, a teacher, a neighbor, a coach, a pastor, a friend. Instead of being protected you were violated. You were treated with malice. Someone used, misused, and took advantage of you. Now you are wondering if recovery is possible. The simple answer to that question is yes, recovery is possible. But you already know you can't just snap your fingers and make everything all better. But here are two important truths to keep in mind: You are not alone, and there is hope. God is mindful of your suffering, and he hears your cries.

You're looking for relief, but is this the respite you really want? *Relief without Cutting: Taking Your Negative Feelings to God* by Amy Baker of Faith Biblical Counseling shows you there is a better way to manage your negative emotions. Instead of cutting--the never-ending cycle of hiding and going deeper and deeper--you can go to Jesus with all of your troubles. You are precious to him. So precious that he shed his blood for you! His power is big enough to fill you with peace and liberate you from cutting.

Renewing Marital Intimacy: Closing the Gap Between You and Your Spouse -- David Powlison You started out telling each other everything. Time flew by when you were together. You listened intently when 1 Corinthians 13 was read at your wedding. "Love is patient, love is kind. It does not envy..." you nodded your head. It all seemed so easy then. But now you have nothing to say to each other. The intimacy and trust you once enjoyed are gone—replaced by bickering, long silences, and hurried conversations about your schedules. Marriage is the most intimate of relationships. When a man and woman marry, they are meant to be one in heart and mind. God calls this being "one flesh." Why do two people who have pledged to be faithful, kind, and loving to one another become separate?

Resisting Gossip -- Matthew Mitchell With gossip being so prevalent in our culture, it can be hard to resist listening to and sharing stories about other people's business. Same Sex Attraction and the Church -- Ed Shaw When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, and yet he is committed to Scripture and the church's traditional position of fidelity in heterosexual marriage and celibacy in singleness. In this honest book, he shares his pain in dealing with these issues, but at the same time shows us that obedience to Jesus is ultimately the only way to experience life to the full. He shows that the Bible's teaching seems unreasonable not because of its difficulties, but because of missteps that the church has often taken in its understanding of the Christian life. We have been shaped by the world around us and urgently need to re-examine the values that drive our discipleship. Only by doing this in the light of the Bible can we make sense of its call on the lives of those who are attracted to their own sex.

Secret Thoughts of an Unlikely Convert -- Rosaria Butterfield Rosaria, by the standards of many, was living a very good life. She had a tenured position at a large university in a field for which she cared deeply. She owned two homes with her partner, in which they provided hospitality to students and activists that were looking to make a difference in the world. In the community, Rosaria was involved in volunteer work. At the university, she was a respected advisor of students and her department's curriculum. Then, in her late 30's, Rosaria encountered something that turned her world upside down--the idea that Christianity, a religion she had regarded as problematic and sometimes downright damaging, might be right about who God was. That idea seemed to fly in the face of the people and causes that she most loved. What follows is a story of what she describes as a train wreck at the hand of the supernatural. These are her secret thoughts about those events, written as only a reflective English professor could.

Sermon on the Mount -- Sinclair Ferguson The Sermon on the Mount answers some of the most pressing questions that every Christian encounters: What is a Christian? Does the law of God still have a place in the Christian life? How can I learn to pray? How can I learn self-discipline? Why am I a prisoner to anxiety?

The Sermon on the Mount deals with these issues in a crisp, concise, and readable way. It provides an ideal introduction to Jesus' great manifesto for life in his kingdom.

Sex Before Marriage -- Tim Lane “We love each other and are faithful to each other, so I don’t think there’s anything wrong with having sex before we get married.” “Isn’t it a good idea to see if we’re sexually compatible before we get married?” “Don’t make sex before marriage into such a big deal—everyone does it.” “I’m not going to let other people make me feel guilty just because I don’t buy into their value system.”

Have you ever thought or said things like this? If your answer is yes, you have a lot of company. Most people, at least in some circumstances, think premarital sex is okay. What was once frowned upon is now an accepted part of Western culture, and sex education usually means learning about “safe sex,” and how to take steps to avoid unwanted pregnancy and sexually transmitted diseases. But you have probably noticed that education about “safe sex” hasn’t protected those around you from experiencing hurt and broken relationships as they have experimented sexually. Since God made you and also created sex, why not take the time to look at what he has to say about your sexuality and how it should be expressed?

Sexual Addiction -- David Powlison Have you ever thought or said anything like this? “I’ve tried to stop so many times, but I still end up in front of the computer surfing websites.” “I want to be faithful to my spouse, but other sexual partners are so available. I know it’s wrong, but I just can’t seem to stop myself.” “Accountability, prayer, avoiding situations, cold showers—I’ve tried everything, but I still fail. Is there any hope for me?” “I know I need to get help, but I am too ashamed.” “I thought only men struggled with pornography,

but I spend way too much time in my erotic, romantic fantasy world.” If some of these echo your thoughts and words, it’s likely that you are feeling trapped by an addiction to sexual fantasies and illicit sexual behavior. You feel guilty and ashamed, but you just can’t seem to stop. You try to keep your thoughts and behavior hidden, but you’re always afraid that one day you will be found out. You know that your closest relationships are being affected by your struggle, but that doesn’t help you to stop.

Shepherding a Child's Heart -- Tedd Tripp Many parenting books are based on hit-or-miss theories steeped in secular thinking. This one draws from Pastor Tripp's seasoned experience as a father-and from God's Holy Word. Grounded in the Bible's divine plan for parenting, this guide defines your goals as a parent and provides the Scriptural methods for accomplishing them.

Should We Get Married -- William Smith Alex and Melissa smiled at me and asked, “How does premarital counseling work? When will you tell us that it’s okay for us to get married?” I smiled back and answered, “Never.” I knew they were puzzled, so I explained, “It would be impossible for me, after talking with you for only a few hours, to know enough about you to say, ‘I think you should get married.’ So what can I do? I can help you think about how to strengthen your relationship, so you will have the foundation for a good marriage. I can help you work on parts of your relationship that are weak. And I can alert you to issues that are potentially dangerous or destructive. I’ll be glad to give you a yellow light to slow down or a red light to stop, but I’ll never give you a green light to go ahead. That final light is between you and God, as you assess your relationship.”

Show Them Jesus -- Jack Klumpenhower Millions of church kids are growing up and deciding to leave the church. They listened attentively in Sunday school, made friends, and seemed committed. But one day, they quit. What happened? The Bible says we love God because he first loved us. So if we are not primarily teaching our kids about God's love for us in Christ, we may miss our opportunity to capture their hearts. But what does it look like to teach a gospel-centered lesson? Show Them Jesus is an instruction manual for teachers of kids and teens written by a lay Bible teacher with 30 years' experience.

Single and Lonely -- Jane V. Clark (Replaces CCEF Bklt “Lonliness”) Perhaps you are single by choice—you want to be on your own for a while, enjoying the freedom and benefits of adulthood. Perhaps it’s not your choice, and a divorce, death, or broken relationship has propelled you back into singleness. Or maybe the opportunity for a serious relationship has never arisen. But whatever your situation, sometimes you feel lonely and long for companionship. It’s natural to desire someone with whom you can share your life, and it’s easy to think, If I were married or just had some kind of relationship, then I wouldn’t be lonely. But will a change in your circumstances really solve your problem with loneliness?

Single Parents -- Robert Jones If you are a single parent, have been a single parent, or know a single parent well, you will likely agree that it may be the hardest job in the world. Seeking to be both dad and mom—breadwinner, cook, chauffeur, comforter, dishwasher, homework helper, disciplinarian, nurse, and role model—can wear down the most hardy man or woman. Single mothers and fathers need sturdy truths from our Savior to equip them for the task.

Sooner Count the Stars -- CD Sovereign Grace music presents this twelve track collection of original worship offerings. *Sooner Count The Stars* features vocalists Doug Plank, Chris Jackson, Kate DeGraide and others on a collection devoted to the Father, the Son, and the Holy Spirit.

Spiritual Depression -- Lloyd-Jones "In a sense, a depressed Christian is a contradiction in terms," Lloyd-Jones asserts. But what's a Christian to do to effectively combat spiritual depression (but not get bogged down with the guilt of it all)? Believing that Christian joy was one of the most potent factors in the spread of Christianity in the early centuries, Lloyd-Jones reveals the causes that have robbed you of your spiritual vitality and shows you how to find complete joy through the mind and spirit of Christ.

Spiritual Discipline for the Christian Life -- Donald Whitney Spiritual discipline sounds great in theory, but putting it into practice takes time and determination! Updated and revised for a new generation, Whitney's guide reveals the importance of the disciplines; shows how they'll help you grow in godliness; and offers practical suggestions for cultivating them in your daily life.

Spurgeon: A Biography -- Arnold Dallimore Charles Haddon Spurgeon (1834-92) is a name with which every Christian should be familiar. His ministry reached far beyond his London congregation. Not a man to water down his message to attract hearers, his doctrinally rich sermons – as preached and published – provide the meat of biblical Christianity to rich and poor alike. Spurgeon's was a life of purpose. He was a man of prayer, but also of intense and varied activity – a man who had a keen social concern, as well as a desire to see churches planted and young men trained for the gospel ministry. He was humble and warm-spirited, a man who even in times of suffering pointed people to Jesus Christ. His resolute stand for the authority of the Bible in an age of compromise makes him an example for today's church. Arnold Dallimore's concise and sympathetic biography will be an excellent introduction for those who know little or perhaps nothing of Spurgeon, and will also stir the interest of all who value the lessons of a unique and faithful ministry.

Starting Over -- William Smith So, your last relationship went sour. Maybe it was so fast and furious, with so much light and heat, that it burned itself out. Maybe you were engaged when one or both of you decided it wasn't going to work. Or, hardest of all, perhaps you were married when, sadly, everything fell apart. Whatever happened, you are single again, and you've been thinking about or toying with the idea of getting involved with someone new. You might be attracted to someone right now, or perhaps you're just thinking about the possibility for the future. You're a little nervous—you'd like to have a new relationship—but you're not sure, given your track record, how good an idea that is.

Storm that Stopped, The -- Alison Mitchell Based on the account of Jesus calming the storm from Mark chapter 4, this dramatic storybook will teach children about who Jesus really is, as they witness his power over nature.

Stressed to the Max --Joni Erickson Tada Replaces CCEF Bklt "Stress" Does it seem like your to-do list always gets longer instead of shorter? Do you try to slow down but find yourself scrambling just to keep up? Stress is an unavoidable part of life, but it often seems you have more than your fair share. You can't continue at this pace forever, but there doesn't seem to be a way out. With characteristic understanding and compassion, Joni Eareckson Tada helps you begin to slow down and sort through the sources of your stress. She offers the spiritual refreshment of Christ's loving presence and words of encouragement, along with practical suggestions for exchanging a stressful lifestyle for a life of rest.

Suffering: When Life Falls Apart -- Stephen Brown Someone you love is ill, your child is in trouble, financial problems mount, you lost your job, your spouse left you—the list of troubles we experience is both uniquely difficult and depressingly similar. In *Suffering, When Life Falls Apart*, author Steve Brown, a well-known radio Bible teacher, writes honestly about his own struggles with suffering, but then also shares the hope he has found in the presence of Christ. It is in turning to Him and remembering that He knows all about our struggles that we experience the power to endure in love and hope through the most difficult situations.

Suicide -- Jeffrey Black Suicide is profoundly tragic. What depth of unbearable pain and hopelessness suicidal people experience. And when a Christian commits or contemplates suicide, it is both tragic and confusing. Jeffrey Black tells us that the intention to commit suicide is a crisis - a sinful act born out of pain and sorrow. Though promised new life in Christ and a living hope, some believers don't keep their eyes focused on these truths. God has the power to help. Here we learn the signs of suicide and guidelines for intervening when someone appears suicidal.

Taking God at His Word: Why the Bible is Knowable, Necessary, and Enough, and What That Mean for You and Me -- Kevin DeYoung Can we trust the Bible completely? Is it sufficient for our complicated lives? Can we really know what it teaches? With his characteristic wit and clarity, award-winning author Kevin DeYoung has written an accessible introduction to the Bible that answers important questions raised by Christians and non-Christians. This book will help you understand what the Bible says about itself and the key characteristics that contribute to its lasting significance.

Talking about Race: Gospel Hope for Hard Conversations - Isaac Adams Conversations about racism are as important as they are hard for American Christians. Yet the conversation often gets so ugly, even among the faithful who claim unity in Jesus. Why is that the case? Why does it matter? Can things get better, or are we permanently divided? In this honest and hopeful book, pastor Isaac Adams doesn't just show you how to have the race conversation, he begins it for you. By offering a fictional, racially charged tragedy in order to understand varying perspectives and responses, he examines what is at stake if we ignore this conversation, and why there's just as much at stake in how we have that discussion, especially across color lines--that is, with people of another ethnicity. This unique approach offers insight into how to listen to one another well and seek unity in Christ. Looking to God's Word, Christians can find wisdom to speak gracefully and truthfully about racism for the glory of God, the good of their neighbors, and the building up of the church. Some feel that the time for talking is over, and that we've heard all this before. But given how polarized American society is becoming--its churches not exempt--fresh attention on the dysfunctional communication between ethnicities is more than warranted. Adams offers an invitation to faithfully combat the racism so many of us say we hate and maintain the unity so many of us say we want. Together we can learn to speak in such a way that we show a divided world a different world. Talking About Race points to the starting line, not the finish line, when it comes to following Jesus amid race relations. It's high time to begin running.

Tech-Wise Family. The -- Andy Crouch Reclaim real life in a world of technology. Making good choices about technology in our families is more than just using internet filters and determining screen-time limits for our children. It's about building character, wisdom, and courage. Alongside in-depth research from Barna Group that shows how families are wrestling with technology's new realities, Andy Crouch takes parents beyond the typical questions of what, where, and when to show us that in a world full of devices, there's a way to choose a better life than we've imagined.

Teens and Suicide: Recognizing the Signs and Sharing Hope - Julie Lowe Many teenagers are not navigating adolescence successfully. Often, even though they have material things, the latest electronics, and spending money, they can be stressed, unhappy, and feel directionless. For an increasing number of teenagers, their struggle to manage pressures and expectations leads them to consider suicide as their only means of escape. Family and children's counselor Julie Lowe takes a look at some of the reasons teenagers are increasingly vulnerable to suicide and what factors lead to it. She offers helpful advice for all those who work with teenagers to recognize suicide warning signs and shares ways to guard against hopelessness and help them find reasons to live. Loving, trustworthy adults (parents, mentors, youth workers, and friends) need to establish solid relationships with teenagers that will serve as the basis for the direction and instruction that they still acutely need. Teenagers long to be known and accepted. Giving them a solid foundation that they are known and loved by God, displaying care, sacrificial giving, genuine compassion, faith in Christ, and being there for them builds a foundation that will not be easily shaken and will provide a lifeline to teens who are struggling.

This Changes Everything: How the Gospel Transforms the Teen Years -- Jaquelle Crowe My name is Jaquelle, and I'm a teenager. I like football movies, sushi, and dark chocolate. But the biggest, most crucial, most significant thing about me is that my life's task is to follow Jesus. He is the One who changed my life. That's what this book is about. It's for teenagers eager to reject the status quo and low standards our culture sets for us. It's for those of us who don't want to spend the adolescent years slacking off, but rather standing out and digging deep into what Jesus says about following him. This book will help you see how the truth about God changes everything--our relationships, our time, our sin, our habits, and more--freeing us to live joyful, obedient, and Christ-exalting lives, even while we're young.

Through Gates of Splendor -- Elizabeth Elliott In January 1956, a tragic but inspiring story broke in headlines across the world. Five young men had dared to make contact with a Stone Age tribe deep in the Jungles of Ecuador. The goal: to establish communication with a people whose only previous response to the outside world had been to attack all strangers. The men's mission combined modern technology with innate ingenuity, sparked by a passionate determination to get the gospel to a people without Christ.

Tori Comes Out Of Her Shell: When You Are Lonely -- Jayne Clark Tori the turtle feels all alone. She has just moved to a new pond and a new school with her family and it seems like everyone has a friend except her. Her teacher notices she feels alone and helps her remember Jesus is always her friend and then along the way she makes some new friends. The last page contains information for parents on how God, in his Word, helps us turn to Jesus when we are lonely. Together children and parents will be guided into meaningful conversations about living by faith in the details of everyday life. Also included is a tear-out page of "Back Pocket Bible Verses" that will give children a practical way to remember God's words when they feel all alone.

Treasure Principle. The -- Randy Alcorn Jesus told a story about a hidden treasure that, once discovered, brought life-changing joy. In *The Treasure Principle*, Randy Alcorn unearths a simple yet profound principle that will radically change your concept of stewardship. Short on guilt, Alcorn illuminates the liberating joy of giving and its impact, not only for today but for eternity as well. A perennial bestseller, this

revised edition includes a new concluding chapter, "31 Radical, Liberating Questions to Ask God About Your Giving."

Trellis and the Vine, The -- Marshall & Payne All Christian ministry is a mixture of trellis and vine. There is vine work: the prayerful preaching and teaching of the word of God to see people converted and grow to maturity as disciples of Christ. Vine work is the Great Commission. And there is trellis work: creating and maintaining the physical and organizational structures and programs that support vine work and its growth. What's the state of the trellis and the vine in your part of the world? Has trellis work taken over, as it has a habit of doing? Is the vine work being done by very few (perhaps only the pastor and only on Sundays)? And is the vine starting to wilt as a result? The image of the trellis and the vine raises all the fundamental questions of Christian ministry: What is the vine for? How does the vine grow? How does the vine relate to my church?

Unashamed: Healing Our Brokenness and Finding Freedom from Shame - Heather Davis Nelson Offering hope to those struggling under the burden of shame, this book shines the life-giving light of the gospel on the things that leave us feeling worthless and rejected, directing our attention to the God who promises to forgive and restore us—no matter what.

Undeniable -- Douglas Axe Throughout his distinguished and unconventional career, engineer-turned-molecular-biologist Douglas Axe has been asking the questions that much of the scientific community would rather silence. Now, he presents his conclusions in this brave and pioneering book. Axe argues that the key to understanding our origin is the "design intuition"—the innate belief held by all humans that tasks we would need knowledge to accomplish can only be accomplished by someone who has that knowledge. For the ingenious task of inventing life, this knower can only be God.

Starting with the hallowed halls of academic science, Axe dismantles the widespread belief that Darwin's theory of evolution is indisputably true, showing instead that a gaping hole has been at its center from the beginning. He then explains in plain English the science that proves our design intuition scientifically valid. Lastly, he uses everyday experience to empower ordinary people to defend their design intuition, giving them the confidence and courage to explain why it has to be true and the vision to imagine what biology will become when people stand up for this truth.

Armed with that confidence, readers will affirm what once seemed obvious to all of us—that living creatures, from single-celled cyanobacteria to orca whales and human beings, are brilliantly conceived, utterly beyond the reach of accident. Our intuition was right all along.

Understanding Baptism -- Johnathan Leeman Jesus commands his disciples to be baptized, and it's a glorious picture of a person's union with Jesus' death, burial, and resurrection. Still, many Christians feel unclear about the topic, having more questions than answers. This short work provides a biblical explanation of baptism. What is it? Who should be baptized? Why is it required for church membership? And how should churches practice baptism?

United: Captured by God's Vision for Diversity -- Trillia Newbell On the last day, every tongue and tribe will be represented in one glorious chorus praising God. Yet despite the efforts of Civil Rights activists, America's congregations remain largely segregated. Can the church learn to reflect heaven's diversity today? Newbell explores "The Beauty of Diversity through Friendships," "God's Heart for the Church," and more.

Unquenchable Flame -- Michael Reeves Burning pyres, nuns on the run, stirring courage, and comic relief: the Protestant Reformation is a gripping tale, packed with drama. But what motivated the Reformers? And what were they really like? The Unquenchable Flame: Discovering the Heart of the Reformation, is a lively, accessible, and fully informative introduction to the Reformation by Michael Reeves. It brings to life the movement's most colorful characters (Martin Luther, Ulrich Zwingli, John Calvin.), while also examining their ideas, showing the profound and personal relevance of Reformation thinking for today.

Valley of Vision -- Arthur Bennett Draw upon the inspiration of the elegant prayers of such Puritans as John Bunyan, Isaac Watts, David Brainerd, Augustus Toplady, and Charles Spurgeon. *The Valley of Vision* has been prepared not to simply supply Christians with prayers, but to prompt and encourage them as they walk upon the path of others who've gone before them. You'll relish the elegance of these writings as they transport you to the heavenly throne of grace. Topics include redemption, reconciliation, holy aspirations, penitence, and more.

Way of the Master, The -- Ray Comfort The Way of the Master is the flagship work of Ray Comfort and Kirk Cameron's organization. It anchors their award-winning television program as well as their radio show and website. Considered by many to be the definitive text on evangelism, this book has been updated, expanded and illustrated with photographs for this edition. It is anecdotal, loaded with commentary that is more conversational than academic. It's an easy read with a hard message that has already changed the face of sharing faith. Free Audio Download available of "Hell's Best Kept Secret."

What did You Expect? -- Paul Tripp Because marriage always involves two sinners living together in a fallen world, reconciliation must be part of *daily* life for you and your spouse. Tripp's six practical commitments - including facing failure, being willing to change, and embodying Christ's love - will show you how to grow a thriving grace-based marriage in all circumstances and seasons of your relationship.

What Do You Think of Me? Why Do I Care?: Answers to the Big Questions of Life -- Ed Welch Tired of trying to win approval and escape rejection? Peer pressure, codependency, shame, low self-esteem; these are just some of the words used to identify how people are controlled by others' opinions. Why is it so important to be liked? Why is rejection so traumatic?

Edward T. Welch's insightful, biblical answers to these questions show that freedom from others' opinions and genuine, loving relationships grow as we learn about ourselves, others, and God. This interactive book includes questions for individual or group study and is suitable for teenagers and young adults.

What is a Healthy Church -- Mark Dever What is an ideal church, and how can you tell? How does it look different from other churches? More importantly, how does it act differently, especially in society? Many of us aren't sure how to answer those questions, even though we probably have some preconceived ideas. Author Mark Dever seeks to help believers recognize the key characteristics of a healthy church: expositional preaching, biblical theology, and a right understanding of the gospel. Dever then calls us to develop those characteristics in our own churches. By following the example of New Testament authors and addressing church members from pastors to pew sitters.

What is a Healthy Church Member -- Mark Dever God intends for all Christians to play an active and vital part in the local church. He wants us to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth. He intends for churches to be healthy places, filled with church members who contribute to the church's growth and health. In this book, pastor Thabiti Anyabwile explains how membership in the local church can produce spiritual growth in its members.

What is the Gospel? -- Greg Gilbert The gospel is the good news about Jesus Christ that demands a response. Author Greg Gilbert uses evidence from the Bible to provide answers to the most commonly asked questions about God, mankind, Jesus Christ and our response. 8-panel tract includes a prayer of repentance. ESV Bible version.

What's Wrong with a Little Porn When You're Married -- Nicholas Black (Replaces CCEF Bklt "Pornography") You feel emotionally isolated and sexually disengaged from your spouse. Could it be that the fantasy world of pornography has intruded upon your real-life marriage? Nicholas Black of Harvest USA, a ministry for people struggling with sexual issues, identifies four key ways that pornography negatively impacts marriages and encourages all who struggle to look to God for help.

Black's three practical, biblical steps toward freedom help those who struggle to find lasting joy in loving God and their real-life spouse rather than the temporary satisfaction of pornography use. A growing relationship with Jesus will grow your relationship with your spouse and bring lasting change.

What's Wrong with a Little Porn When You're Single -- Nicholas Black (Replaces CCEF Bklt "Pornography") "I know porn is wrong for a married person, but I'm single. What can it hurt?" The accessibility of pornography through the Internet means that more singles are asking themselves if porn use really matters. But Nicholas Black of Harvest USA, a ministry for people struggling with sexual issues, explains how porn isolates singles from healthy relationships, sabotages their future marriages, and can lead to sexual addiction.

Black calls singles to turn from porn and grow healthy, rich relationships with God and others. Using seven practical steps, he equips singles to recognize what underlies their temptation to use porn, fight for obedience with hope, and rely on God for cleansing and a new start.

When Bad Things Happen -- William P. Smith Is a personal God really involved in our suffering? And if he is, what in the world is he up to? Why would a good God allow suffering in his world?

William P. Smith addresses these and other hard questions by reflecting on what the Bible teaches about suffering. Instead of pat answers, he shares the different ways God uses suffering to bring us into a deeper,

more intimate relationship with him. You can learn to see the good that God brings out of suffering and be thankful—not for the suffering itself, but for God and his involvement in your life.

When Crisis Hits -- C. John Miller When life falls apart, we feel deep confusion. Our emotions may shatter no matter how strong we have been. Our minds fill with unanswered and painful questions like the following: "Why me?" "What did I do to deserve this?" "Is there any hope for my future?" "Do I even have a future?" In *World Harvest Missions When Crisis Hits: Where to Turn When Life Falls Apart*, Jack Miller writes as a cancer survivor to others whose lives have fallen apart, and he offers the hope and peace that come from trusting in God for your future. Turning to Christ when crisis hits will fill your life with purpose and joy even in the toughest times.

When People Are Big and God is Small -- Edward Welch "In God I trust; I will not be afraid. What can mortal man do to me?" So sings the Psalmist. But quote that to a crime victim or a junior high student and they'll tell you fear of "mortal men" can prove a formidable obstacle! Here Welch offers biblical insight and solutions for a pervasive weakness in today's church.

When Sinners say "I Do" -- Dave Harvey Marriage is the union of two people who arrive at the altar toting some surprisingly large luggage. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. The Bible calls it sin and understanding its influence can make all the difference for a man and woman who are building a life together. *When Sinners Say "I Do"* is about encountering the life-transforming power of the gospel in the unpredictable journey of marriage.

When Sinners say "I Do" Study Guide This study guide is designed to help you think about and apply the material in *When Sinners Say "I Do."* It is formatted in a way to help with personal application, conversation as a couple and for small group discussion as well. We've included a one page summary of key points from the chapter so you can quickly remember the basic points in the book. The questions are designed to help individuals, couples and small groups wrestle with and apply the themes in the book to their own lives.

When Your Kid's in Trouble -- William P. Smith The question was never whether or not your child would get into trouble. The real question was whether or not you would get the chance to respond. Right now you have that chance!

William P. Smith explains that your child's trouble is a God-ordained opportunity for you to pursue a bigger goal than raising a child who behaves. Right now you can demonstrate what God's kindness and grace looks and feels like. By applying biblical principles as you respond, you can help your child to experience the life-changing reality of God's perfect love in the midst of personal failure.

Who Does the Dishes? Decision Making in Marriage -- Winston Smith Who should pay the bills? Do the laundry? Work outside the home? Stay home with the kids? For many couples, answering these questions is difficult and frustrating. How do you decide which family responsibilities belong to you and which belong to your spouse? Winston Smith explains that we might be surprised by what God, in the Bible, says about marital roles. The Bible doesn't have a simple, one-size-fits-all "to-do" list for husbands and wives, but there is a basic principle to live by—sacrificial love. Learn how to apply what God says about love to the everyday decisions you make with your spouse.

Who is Jesus? -- Greg Gilbert A famed historian once noted that, regardless of what you think of him personally, Jesus Christ stands as the central figure in the history of Western civilization. A man violently rejected by some and passionately worshipped by others, Jesus remains as polarizing as ever. But most people still know very little about who he really was, why he was really here, or what he really claimed. Intended as a succinct introduction to Jesus's life, words, and enduring significance, *Who Is Jesus?* offers non-Christians and new Christians alike a compelling portrait of Jesus Christ. Ultimately, this book encourages readers to carefully consider the history-shaping life and extraordinary teachings of the greatest man who ever lived.

Who Should I Date? -- William P. Smith Who should you date? You might be drawn to someone who is fun, good-looking, and interested in the same things you are, but even more important than what's on the surface is what someone is like inside. But how can you find that out? What should you look for? William P. Smith gives detailed, practical ways to assess both you and your friend's relationship readiness. Filling out the quiz in this booklet will give you a better idea of the areas where both of you need to grow. Read this with your friend. It will lead to great conversations about the most important things in life—your faith and how you express that faith in your relationships with others.

Why Trust the Bible? -- Greg Gilbert The Bible stands at the heart of the Christian faith. But this leads to an inescapable question: why should we trust the Bible? Written to help non-Christians, longtime Christians, and everyone in between better understand why God's Word is reliable, this short book explores the historical and theological arguments that have helped lead millions of believers through the centuries to trust the Bible, from Genesis to Revelation. Written by pastor Greg Gilbert, author of the popular books *What Is the Gospel?* and *Who*

Is Jesus?, Why Trust the Bible? will help Christians articulate why they trust the Bible when it comes to who God is, who we are, and how we're supposed to live.

Worship Matters -- Bob Kauflin Learn to root your corporate worship in unchanging biblical principles rather than divisive trends. Kauflin's practical guide focuses on the devastating effects of worshiping the wrong things; basing praise on God's self-revelation rather than our assumptions; managing healthy tensions; and maintaining relationships in the worshipping community.
